

Letter 405  
**“Layers And Levels”**  
 2015-10-13

Dear Dan,

**Friday, 9 October 2015, 6AM.**

About two months ago angel Gabriella started speaking a three word phrase in my ear once in a while, in response to things I was thinking about at that moment. All she would say was;

“LAYERS AND LEVELS”.

Last night when we arrived to work, I just stayed in the truck for a minute thinking and getting mentally prepared to go to work. While resting before the Lord, I was pondering on the fact that in the past two weeks my mind had been a lot more clear than it had been for a long time. Even though my entire body was sore from my neck down, my mind felt razor sharp. It was then I started to connect what the word LEVELS might mean. And then I surmised that there could be corresponding Scriptures that would further explain what Gabriella was talking about.

Later on in the work shift I was directed to the book of Daniel, chapter two, and the image in Nebuchadnezzar’s dream. There are five different levels to the image.

**Daniel 2:32-33**

- 1) HEAD
- 2) CHEST AND ARMS
- 3) BELLY AND THIGHS
- 4) LEGS
- 5) FEET

This is going to require further study. But I am sure the Lord will teach me what He wants me to know.

As I think some more, it occurs to me that applying the understanding of what LEVELS means to deliverance might prove to be an effective means of understanding the nature of demonic bondage and how to free those who are so enslaved. Now that I am able to listen to podcasts again (thanks to healing miracles from Jesus through his Angels), I can now resume thinking about both Computer Security and Church Security, and how similar they are to each other.

In Letter 388 I write about the Prayer of Jesus for me, and the Word Against Uday & Qusay. It seems likely that the effect and answer of this prayer is what is making me clear-headed. The fog of witchcraft, which had become so prevalent in the past year, is finally lifting.

**Tuesday, 13 October 2015, 6AM.**

Last night I was clear headed all night. If this keeps up for the next two weeks steady, I will then know **for fact certain** that the witchcraft that has been causing what I called the “2 to 4 syndrome” has been totally eradicated. While I was a little tired from not enough sleep over the weekend, I wasn’t fighting to stay alert. What a difference! Praise God!

This tells me the “HEAD LEVEL” has been delivered.

P. S. Yet, as I am sitting here at Starbucks typing, I started to get the lethargic, tired feeling that tells me a spirit of witchcraft is close at hand. I asked angel Gabriel, he said that the spirit was coming from the two men seated just a few feet from me. Apparently they are channeling, somehow by their conversation and intent of their hearts. I have my earbuds in listening to music, so I don’t know what they are talking about. Gabriel said to ignore it and just keep on typing (easy for him to say). So far I am able to “brute force” my way past the witch’s version of chemical warfare. And an angelic neck massage doesn’t hurt, either.

Blessings...
