

Letter 414  
**"You're Terminated"**  
2015-11-08

Dear Dan,

In the first Terminator movie, Sarah Conner is seen toward the end of the movie crawling through a steel fabrication plant, trying to escape the beat-up but still functioning Terminator robot.

The scene shows Sarah crawling through what appears to be a massive steel press. The Terminator robot is still advancing toward her, crawling along and trying to grab her ankle. She manages to elude its grasp, and makes it out of the press, and reaches the control box.

While the Terminator is still crawling slowly through the middle of the press, Sarah pushes the button that activates the hydraulics, and sends the gigantic steel press piston downward onto the head of the robot.

As she is doing all of this, she says to the Terminator:

**"YOU'RE TERMINATED."**

The light in the robot's eye slowly fades into darkness, and the Terminator robot is no more.

This is what is going to happen at the end of this year, 2015, to all of the plans that Satan, himself up till 9 October 2013, and since then his two "sons", "Uday and Qusay", have put into play to try to destroy me and my fellow Believers. In other words, the Church.

All these will be stopped at the end of this year, on 31 December 2015 at exactly 23:59:59 hours Pacific Standard Time.

Last night at work angel Gabriel gave me a drawing that shows in graphic terms what this looks like in writing ([click here to see drawing](#)).

Therefore, the Word of God concerning this matter is this:

**"TO THE ENEMY'S CAMP, HEAR THIS. EFFECTIVE 31 DECEMBER 2015 AT EXACTLY 23:59:59 HOURS PACIFIC STANDARD TIME, ALL YOUR PLANS FOR FUTURE OPERATIONS WILL BE FROZEN IN PLACE WORLDWIDE, AND WILL NOT BE ALLOWED TO ADVANCE AT ALL ANY MORE FOR AN UNDISCLOSED PERIOD OF TIME".**

**"AMEN".**

P. S. As soon as I began to realize the ramifications of this Word, I responded to Gabriel with a soldier's term of great joy.

P. P. S. See Psalms chapters 6 and 18. This number is mentioned in the Terminator movie series. 6:18PM. Chapter 6 refers to the end of 2015. Chapter 18 refers to the beginning of 2016.

Blessings...

R. C. Theophilus
