

Letter 427
"No More Hell To Pay"
2015-12-20

Dear Dan,

Saturday 19 December 2015, 6AM.

I live about 20 miles from Snoqualmie Pass. I-90 eastbound has been closed at the pass for about 5 days now, and last night there were a whole lot of semi rigs just parked along the side of the freeway. And I mean a whole lot.

I saw this remarkable spectacle as I drove to work. I have never seen this many trucks parked along the side of the freeway in all the 30 years we have lived in the Snoqualmie Valley.

And just like the trucks being STOPPED from going over the pass, so all of the plans of HELL for the future will be STOPPED with the end of this year. See Letter 414, Volume 5-15.

The Lord routinely gives me real-time signs like these when He gives me a Word. Signs to confirm what He has said, and is doing. Here is a Scripture that speaks to this:

The Book of Mark, chapter 16, verse 20.
*"And they went out and preached everywhere,
the Lord working with them and confirming
the word through the accompanying signs".*

Sunday 20 December 2015, 2AM.

A while back I was listening to an online radio station through a radio app on my iPhone. The station specializes in Classic Christian Rock music. Over the years since 10/9 (see Letter 214, Volume 4) the Lord led me to a number of songs through this channel, which He used both for my healing and the production of audio PrayerSongs.

This one night at work there was a live DJ. He was front-selling an upcoming song by an old line Christian Metal group named Stryper. The next song to be played was from Stryper's latest album, Fallen. The name of the song is "Yahweh".

Even though I was already aware of Stryper, and even sent one of their CD's to my brother for Christmas, I had never really listened to their music much before now. Except we recently did use "To Hell With The Devil" by Stryper in Letter 361, Volume 5-15 audio. I knew immediately when I heard "Yahweh" that the Lord was getting my attention. This is the same metal song that is in the midst of the Yahweh mashup on the audio CD I sent to you.

So, like I usually do, I started to check out Stryper on iTunes. I purchased the Fallen album, then I purchased an album called "No More Hell To Pay". There is a song in the album by the same name. I have listened to this song many times, and yesterday the Lord began to say that He wants to include this song to help close out Volume 5-15, and the biennium of the years 2014/2015 A.D.

Letter 414 will be recorded and made into a PrayerSong, using "No More Hell To Pay" as its foundation.

This will become the Word that brings to an end the influence of Hell in the Church in the decades and generations to come, beginning on 31 December 2015 at 23:59:59 hours Pacific Standard Time. Amen.

Blessings...

R. C. Theophilus
