Find The Cost Of Healing
Part 5
You're Outta Here
 2016-06-10

Dear Dan,

Friday, 10 June 2016, 7AM.

According to both angels Shawn and Gabriel, the Issaquah Shape Shifter was instrumental in causing the confusion that brought about the deaths of the Chinese Workers. But the influence and area of operation of the ISS was and is limited to the Issaquah Valley. This is why the newly developed Issaquah Ridge is a happier place to do business, and why, whenever I have had occasion to visit the healthcare establishments on the ridge, I have felt good. My heart can sing up above on the Ridge.

I also have first hand knowledge of how the ISS had a corrupting influence in one of the Churches that had previously occupied the Bethel Chapel building. But the details of that knowledge is not needed at this time to accomplish the task at hand.

Any breach of Justice which may have occurred in the Washington Territorial Court is remedied by these Words of Jesus:

“FATHER, FORGIVE THEM, FOR THEY KNOW NOT WHAT THEY DO”.
 (The Book of Luke, chapter 23, verse 34).

And as the duly appointed Apostle of Jesus in this matter, I do hereby both REPENT on behalf of the perpetrators and FORGIVE all related sins and sinners that brought about the untimely deaths of the Chinese Workers in the Issaquah Valley.

Here therefore is the Prayer of Jesus against the Issaquah Shape Shifter.

“Dear Father in Heaven, please hear My prayer to **remove** the evil spirit now known as the “Issaquah Shape Shifter”. Send him and all of his resources into the Pit. Bring remedy to all of his victims. Seal up the breach caused by the abuse and the bloodshed of the innocents. As Your delegated Intercessor, please hear My heart of sorrow because of the mis-treatment and deaths of the Chinese Workers, and the sins of the abusers and the killers. Please forgive any outstanding sins regarding this matter. Wash and Purify the Valley with the Water and The Blood of The Lamb of God. Please resonate into any resulting void the Song of Your Love, Your Life, and Your Truth. Fill up any empty spaces with the Growth of the Knowledge of the Love of Jesus”. “Amen”.

Blessings...

R. C. Theophilus
