

Letter 528
Some Family Talk
 2016-10-21

Dear **Yeshua**,

Thursday, 20 October 2016, 6AM.

Tuesday night at work I had some interesting verbal* exchanges with other Family members.

One was from Jesus. I remember that we had to go to another area for the first smoke of the work night. While I was sitting there I began to remember all the sins of others I had remitted recently (per Scripture where it says "If you forgive the sins of any, they are forgiven them; if you retain the sins of any, they are retained." John 20:23).

While I was smoking the thought occurred to me that I should do the same for myself. So I did. I declared myself FORGIVEN for any past sins. Immediately Jesus spoke up and said that:

"THAT WAS THE WISEST THING YOU'VE DONE TO DATE."

A little while after this I was cleaning a sink and wondering about how to bring the Kingdom of Heaven to Earth. While I was thinking on these things, our Dad (Abba Yahweh) said to...:

"... MAKE THINGS ON YOUR END LIKE THEY ARE ON MY END..."

Later on in the evening I started to listen to a podcast that specialized in a variety of topics, but also included some conspiracy theories. Not long after I was done with the show, angel Maiah started telling me how she really didn't like having to listen to what she called "conspiracy talk radio". But she stopped short of saying that I oughtn't listen to this type of bogus entertainment because she also knew that angel Gabe and I liked to listen to Coast to Coast AM, the home of Conspiracy Talk Radio. Gabe and I go way back to the early days of Art Bell.

Maiah and I argued a bit for the next half hour or so, and then came to an amicable compromise which brought peace to the both of us (which is only between her and me).

Later on in the work-shift I was wondering about some Scriptures that sure make it sound like it's possible to get to a point in one's Christian walk where it's easier to avoid committing sins than to sin. Here they are:

2 Peter 1:10

Therefore, brethren, be even more diligent to make your call and election sure, for if you do these things you **will never stumble**;

1 John 2:10

He who loves his brother abides in the light, and there is **no cause for stumbling** in him.

Jude 1:24

Now to Him who is able to **keep you from stumbling**,
 And to present you faultless before the presence of His glory with exceeding joy,

Anyway, it was an interesting night. Thank You Jesus for being there.

*By “verbal” I mean just sub-vocal, (but sometimes I do speak out loud if we are alone) sharing my thoughts with my angel family, and vice-versa, thereby having (real-time duplex) conversations.

Blessings...
