

Letter 537  
**TURNGPT 09**  
**Election 2016**  
*Surprise!*  
2016-11-13

Dear **Jesus**,

**Saturday, 12 November 2016, 67AM.**

Well, I guess the news media got it wrong. I learned Wednesday morning at about 2 AM that Donald John Trump was elected the 45th President of the United States. The news media was always saying that Mrs. Bill Clinton would win, but toward midnight it was becoming clear that the electoral majority was going to the Republicans.

I was very relieved. One of President Elect Trump's campaign promises is to rescind Obamacare. Obamacare to its core is a work of un-American satanic witchcraft. The Devil's goal was to heap as much blood-guilt of the shedding of innocent blood of abortion on the land, in order to bring maximum destruction to the U.S and its Citizens. This is why the Affordable Care Act laws and rules were written in such a way so as to force the Church to pay for abortions through forced purchase of medical insurance that covers abortions.

This was also why You sent angel Gabe to me years ago wearing a T-Shirt that said:

“SATAN IS MY FUCKING CO-PILOT”,

for indeed at that time he was, both in my own home, at (G6), and in the United States. See Letter 22 Volume 1.

But You, in Your position of King of Kings and Lord of Lords, had determined otherwise. In answer to the prayers of Your Saints; who, ever since the decision by the Supreme Court to allow the shedding of innocent blood in the womb, have been asking to have that decision overturned; You sent the Holy Spirit to breathe on those who were willing to vote for Mr. Trump.

Periodically in some of his various campaign speeches, Mr. Trump would say that the election process was “rigged”. I pretty much knew that he was speaking in political rhetoric when he said that and other similar things. But what he may have not known was that he was also prophesying the Truth.

This election was most certainly rigged. It was rigged by You in order to achieve your will on Earth, as it is in Heaven.

But there is now something I can report that few others save You and me knew about.

Sometime in the middle of October You gave to us a unique idea. The idea was for me to incarcerate Uday & Qusay somewhere so that they couldn't influence the election with their

corruption.

I thought about this for a day or two, and was then presented with another brilliant idea.

In our living room there is a coat closet which for years has only been used for storage. I haven't even opened the door in all this time. So I thought to myself, "what about putting them in there?"

So, that's what we did. On the 17th of October, just last month, I commanded the Two Archangels of Hell, Uday & Qusay, to go into the coat closet, lay face down, put their hand behind their back, and keep their mouths shut.

And there they stayed until 9 November 2016, the day after the election (there's that Number 9 again), when we turned them over to Archangel Michael. He then took them away and forced them into the Pit (see Letter 525 Volume 6).

For many days during this time I actually forget they were in there. Someone would remind me, and I would go, "oh yeah, that's right...", then forget about them again. That was pretty cool.

And I was very confident that the Word You gave to me to command them would be sufficient to keep their presence in my coat closet from causing any damage. I haven't looked, and I'm still not worried.

Thank you Jesus.

But this also meant they couldn't influence the election all. So between their corruption being absent, and the Powers of Witchcraft over the Nation having been rendered powerless (see Letters 310 through 310b Volume 5-15), the Witches were not able to sway the election to their favor.

Yeah. I would have to say. It was indeed a "rigged" election if there ever was one.

Blessings...

R. C. Theophilus
