

Letter 538
The Day The Music Died
2016-11-13

Dear **Yeshua**,

Beginning in Letter 47, and continuing through Letter 66 Volume 1, I talk about the Victory the Lord God Almighty was able to accomplish at (G6). But there was one day during that time in which Satan did have the upper hand.

Or so it seemed.

The exact sequence of events is a little bit hazy to me right now, but there was a certain Friday, in which I did not listen to any audio at work, at all. I was so upset at the decisions which (P7), the “foreign” manager (see Letter 182 Volume 4) of my department was making, that for a day, I lost sight of Kingdom Reality, and ceased walking with the Knowledge of my still being under the Cover of Grace.

In my life, I have most always been an obedient son to God; obeying my own parents, my teachers, the governing authorities, and various work bosses. So when I was ordered not to listen to any audio at work, my desire to obey the department manager, per the Biblical doctrine which says “... as unto the Lord ...”, was strong. See Ephesians 6:5-8.

But the pain I was suffering, from which I distracted myself with audio, was also strong. I wasn’t sure how to respond while I was waiting for the deliverance, of which the quiet witness of the Holy Spirit said I would have.

I became angry, and for that one Friday, I put ear-plugs in my ears instead of headphones. If I couldn’t listen to what I needed, then I wouldn’t listen to anything at all. That Friday then, was...

“... THE DAY THE MUSIC DIED.”

But the Lord Holy Spirit strengthened me, and communicated to me that I would not be disobeying Him, if I listened to audio at work. In the days that followed, I went underground, and just hid my earbuds, and made sure not to have them visible until I got my ADA Letters.

All this happened in 2011. And even after I received the ADA Letters (see Letters 57, 58, 60, 62 DOC-02, DOC-03 Volume 1), I continued to struggle against Satan and his resources in the spirit realm, who still had free access to much of the Hospital, in order to overcome their fear and accusation, against my freedom to listen to audio.

That particular Satanic Song of Death continued to resonate throughout the hospital building for some time. But that all started to change in July of 2013, with Letter 193 Volume 4. A New Song started to be sung within the facility. Bells of Liberty, within the Prison of Hell. Yet it takes time to change the frequency of Death into one of Love.

So even after his arrival in January of 2014, it took over a year of angel Gabriel's Presence and Management Style, (see Letter 294 Volume 5-14), to completely de-resonate and eradicate the Song of Opposition from Hell; the Song which said I couldn't listen to my Own Free Choice of Audio.

Now I am completely free, both in the Natural and in the Spirit, to hear the Voice of Jesus in every Dimension, Spectrum, and Airwave.

And so for the first time in my Life, and perhaps even in Human History, The Prince of the Power of the Air (see Ephesians 2:1-3) had been silenced. See Letters 214 and 220a Volume 4.

Amen.

P. S. The same Freedom and Liberty to Hear and Listen has also been given to everyone else that works at the hospital (G6).

Blessings...

R. C. Theophilus
