

Letter 540
DREAM
A Declaration Of Innocence
2016-11-19

Dear **Jesus**,

Wednesday, 16 November at about 1:30PM I had a dream after only about two hours of sleep.

I DREAMED THAT:

I was laying in my bed awake. Across the bedroom from my bed was a couch or futon. A Young Lady and a Young Man were sitting on the mattress fully clothed. In the dream I had a vague impression that the Lady could have been my wife, but I wasn't sure.

Then the man began to talk, and was trying to say something of a sensitive nature. He stumbled with some words, to which I said he should just come out and say what he wanted to say.

So, he told me that the Lady he was with had a word-curse put on her by her grandmother. She had been told in her youth by her Maternal Grandmother that masturbation was wrong, and that it was sinful if she pleased herself in such a way.

I looked at the both of them intently, and then proceeded to make

A DECLARATION OF INNOCENCE

to the Lady, saying that there was nothing sinful in pleasuring herself.

END OF DREAM.

Blessings...
