

Letter 561
"A Profane Thing"
2017-01-08

Dear **Jesus**,

For some time now I have been thinking off and on about what Satan looked like when he walked into my bedroom in the last part of September 2013 (see Letter 213 Volume 4).

It seems good now that I recount as much detail as I can remember in order to more accurately preserve my memory and to relay this event to others.

To recap, in Letters 204 and 221 Volume 4, I describe how Satan attempted to kill me. And in Letters 208 through 220a I write about how You kicked his wicked little ass all the way to Southern Tunisia in the Northern Saharan desert. Well, I guess I should say we kicked his ass.

But back to the story at hand. Here is the best description I can remember.

In stature, he appeared to be humanoid in build, not any taller than me (5'8"), and not very stocky. I don't remember seeing any hair on his head. His face had human-like features but was more on the narrow side.

His eyes were that of a serpent, and they had the look of wisdom in them, except this wisdom was laced with the venom of evil. If he had any ears, I didn't notice them. I really remember his face and head being those of a human-looking snake, so he would have had small orifices for ears.

I really didn't try to discern what fashion statement he was attempting to make in clothing. There really wasn't time. I just saw him come into the bedroom, stop at the foot of my bed, and wait. Almost immediately I ordered him to the back-yard.

But what has really stood out in my memory all these years was his skin. It was smooth, more so than a reptiles, which are scaly. It was much closer to that of a frog. And it was mottled green, with variations in shading. It would be much more accurate to refer to Satan as a "Frog-Man" rather than a "Snake-Man".

Very recently in one of the PrayerSongs the Lord gave to me, I included a Scripture that substantiates my seeing the "frog-skin" covering of the Devil. Here it is:

The Book of Ezekiel
Chapter 28
Verse 16

*By the abundance of your trading
 You became filled with violence within,
 And you sinned;
 Therefore I cast you as*

a profane thing

Out of the mountain of God:

*And I destroyed you, O covering cherub,
 From the midst of the fiery stones.*

Frogs were considered unclean to the Jews, and are included in the ten plagues of Egypt.

Frogs then are “profane things” unto the Lord. So my seeing Satan being covered with the skin of a frog was in fact the truth, according to Scripture.

In thoughts which have occurred to me much later than the incident described in Letter 213 it seemed to me that the Lord Holy Spirit actually COMMANDED the Devil to appear before me and be judged.

I think it likely to be true that something happened in the Courts of Heaven which authorized the Lord to bring this about. I also think it likely to be true that Satan brought this upon himself by violating a Rhema Word of God given to him by me in July of 1995.

I would like to recount that Word here and now.

In Letters 150 through 153 Volume 3, I write about how I was led to intercede for a Sister of ours who found herself in trouble with the law.

At some point during the two week period of time before her incarceration, You gave this Word to me to communicate to Satan on behalf of our Father God in defense of His daughter (CS1).

“To the Enemy I say this by the Holy Spirit.
 If you point your finger, it will wither.
 If you touch her, you will be burned.
 If you lay your hand upon her, your arm will crumble.
 And;
 If you seek to destroy her,
 BY YOUR OWN DEVICE YOU WILL BE DESTROYED”.

Maybe Satan didn't quite understand that when he went after (CS1), but found me instead, because I was interceding for her, that same Word then applied to me as well, effectively replacing the word "her" with the word "me".

Being angry at losing his easy prey in (CS1), Satan then sought to destroy me. But his plan backfired on him. According to the Rhema Word given by God; it was Satan's own device by which he was destroyed.

These were the Devil's plans for the destruction of (CS1).

He planned on isolating (CS1) from Jesus.
He planned on destroying her ability to hear God.
He planned on murdering her in prison.

So, that's what he got for himself.

He was destroyed from roaming over the earth to the degree he was previously used to, and from being able to communicate with his resources, nor can he kill anyone at all. And for the very first time in his life, Satan sits all alone, not having anyone to order about.

Additionally, whatever I listen to on my iPod while I work at (G6) is transmitted to his location so he can hear what he was attempting to silence. By this means he is being kept apprised of the systematic dismantling of his various resources. The dismantling process is just now getting started, and will continue for at least a generation.
