

Letter 575
DREAM
The Way to Everlasting Life
2017-03-04

Dear **Yeshua**,

Thursday, 2 March 2017, 6AM.

Yesterday I woke up from having a dream at about **3PM**. After I woke up I knew the dream represented another victory against Hell, which I would want to document in a Letter.

I went back to sleep and woke up at my normal time, feeling well rested, unlike the previous few days when I woke up feeling like crap.

This was especially true Tuesday when I went to bed. When I closed my eyes to go to sleep, I could see flashing white lights with the eyes of my spirit man, which meant that there was a spiritual battle ensuing, and that I was part of that battle.

That's why when I woke up Tuesday night to go to work, I felt like I had been wrestling with Hell, which is what I had been doing.

But that was reversed and eradicated with this dream.

I DREAMED THAT:

I was with a young man to whom I was explaining The Way to Everlasting Life, and "that more abundantly". He was interested and wanted to hear more. I spoke with him for some time telling him about the Truth of Jesus and other things. Then I woke up.

END OF DREAM.

While there is other detail to the dream that I didn't remember after I woke up the second time, this is the accurate kernel.

And I felt like I slept well, having achieved another victory in the war against Hell. And my upgraded energy level has continued even until now as I write this memo.

I had not slept very well since after the morning of Saturday the 18th of February, when I had been joined by (CB47) for coffee. It was at this meeting that the Lord Holy Spirit brought up the subject of my having observed that (CB48), a Church Leader at (U20), had a familiar spirit dwelling inside of his physical body along with his own spirit and the Holy Spirit.

I discovered this by inquiring of the Lord after seeing (CB48) give me sideways **winks** from time to time at the social dinners we had together with (CB47) and other Believers. It was as if he wanted to have a private communication with me aside from the others at the dinner, which has been sponsored by (CB47) for several years now.

But I already knew what the Bible had to say about such things.

Scripture says this about "winking":

*A worthless person, a wicked man,
Walks with a perverse mouth;
He **winks** with his eyes,
He shuffles his feet,
He points with his fingers;
Perversity is in his heart,
He devises evil continually,
He sows discord.
Therefore his calamity shall come suddenly;
Suddenly he shall be broken without remedy.*
Proverbs 6:12-15

*He who **winks** with the eye causes trouble,
But a prating fool will fall.*
Proverbs 10:10

When we were having coffee together I had indicated to (CB47) that I believed the Lord was going to deliver (CB48) at the next dinner, which was to occur about a week later.

I did not attend, but afterward I asked (CB47) whether he saw any change. He indicated that he was not aware of anything unusual, and asked me if I thought (CB48) had been delivered.

I answered by saying that I will know the next time I see (CB48). If he doesn't wink at me anymore, then I know he has been delivered and made free and clear of the demonic spirit.

So, as I write this Letter, the Lord tells me that what I had been undergoing, not sleeping well, feeling like crap, etc., was the effect of interceding for (CB48), and his entire life in the Snoqualmie Valley. The objective of the intercession was to destroy the effects of the demon and remove the enemy from the land.

Blessings...

R. C. Theophilus
