

Letter 590
Find The Cost of Healing Part 7
Closing The Wound
2017-05-08

Dear **Jesus**,

Sunday, 7 May 2017, 9PM.

This last Thursday, the 4th of May, we went to the local Healing Room for prayer. This was in obedience to Your preference that I go there to have prayer for the pain described in Letter 586 Volume 7.

After arriving I filled out the form to describe what I needed prayer for, and then was directed to go the front of the church building with (C10). He is one of the Prayer Elders, and also the one who prayed for a pain to go away in Letter 480a Volume 6, which was removed at that time, and hasn't returned since.

It was during the course of my speaking with the (C10) that I discovered a fissure in the Body of Christ which allowed a Familiar Demonic Spirit to enter Your House and become active. Please allow me to explain.

There weren't any other people at the Healing Room when we finished praying, so we started to talk about our personal histories, and discovered that we had mutual connections to both Portland and Astoria, Oregon.

When I said that I had lived on a particular street in Portland, he remarked that he had known a fisherman who owned a boat by the same name. In one of his comments, he said how he used to go fishing with this man who he described as being a "Spirit Filled Christian".

Then (C10) began to tell me how on one of this fishing trips he caught a fish that was a little too big to keep, legally.

But the Captain of the boat instructed (C10) to remain silent, and not say anything to the Game Warden upon returning to port, and that he would "fix it" with the Game Warden.

(C10) then began to boast how he was able to to keep the illegal fish. He then said that he "liked that Good Old Boy" for doing that.

After leaving the Healing Room and heading off to work, I inquired of the Lord as to what had just transpired.

According to the Lord Holy Spirit, the "Good Old Boy" being referred to was actually a demonic familiar spirit by which the Sprit Filled Christian captain of the fishing boat was able to talk the Game Warden into allowing him to keep the illegal fish.

This early agreement (C10) had with the Good Old Boy familiar spirit then produced a fissure in the spiritual integrity of the armor of the man, thereby allowing infection to enter from time to time. This is why the Issaquah Shape Shifter spirit (see Letter 479 Volume 6) could influence what (C10) said to me on some of my previous visits.

But now we can close the wound and heal it, with this Word.

Dear Jesus, we do hereby apply the Matthew 5:44 protocol to this situation, for it is written:

“You have heard that it was said, ‘You shall love your neighbor and hate your enemy.’

But I say to you, love your enemies,

1) bless those who curse you,
(we do hereby bless (C10) and the Healing Rooms)

2) do good to those who hate you,
(we do hereby ask that You will pour out Your Goodness upon (C10) and the Healing Rooms)

and

3) pray for those who spitefully use you and persecute you,
(we do hereby pray for the Kingdom of Heaven to come in its fullness in (C10) and into the Healing Rooms).

that you may be sons of your Father in heaven; for He makes His sun rise on the evil and on the good, and sends rain on the just and on the unjust. For if you love those who love you, what reward have you? Do not even the tax collectors do the same? And if you greet your brethren only, what do you do more than others? Do not even the tax collectors do so?

Therefore you shall be perfect, just as your Father in heaven is perfect. Matthew 5:43-48.

We ask these things in Your Name, Amen.

Blessings...

R. C. Theophilus
