

Letter 595a
DREAM
Military Satanic Ritual Abuse
2017-05-24

Dear Jesus,

Wednesday, 24 May 2017, 6AM.

Just this past Monday I had a dream just before I woke up at about 5:45PM.

I DREAMED THAT:

I was with a man who wanted me to think he was a member of the United States Armed Forces, assigned to the U.S. Army.

I followed him into a room which had some upholstered chairs. We both sat down on chairs that were facing each other. After we were both seated, the man started to say things, but his words were not very intelligible. But after a minute or so, we both looked each other in the eye, and while our two gazes were fixed toward each other these words came out of the Fallen Angel's mouth, which I heard clearly:

“THEY ARE MAKING ME SATANIC”.

END OF DREAM.

I woke up feeling very troubled, and my whole body ached. While I was getting ready to go to work, I could tell that the conflict in the dream was having an after-effect on my lower back muscles. After going to work that night, I looked to the Lord for an explanation of the dream.

While I was working, angel Gabe began to inform me that I had opposed and wrestled with the Leading Deceiving Angel who is in charge of introducing and incorporating Satanic Ritual Abuse into the United States Military, as a form of Military Training.

This is what Wikipedia.com has to say about SRA:

*“Project MKUltra – sometimes referred to as the CIA's mind control program – is the code name given to a program of experiments on human subjects, **at times illegal**, designed and undertaken by the United States Central Intelligence Agency. Experiments on humans were intended to identify and develop drugs and procedures to be used in interrogations and **torture**, in order to weaken the individual to force confessions through mind control. Organized through the Scientific Intelligence Division of the CIA, the project coordinated with the Special Operations Division of the U.S. Army's Chemical Corps.”*

and

*“In 1945 the Joint Intelligence Objectives Agency was established and given direct responsibility for Operation Paperclip. The program recruited former Nazi scientists, **some of whom had been identified and prosecuted as war criminals** during the Nuremberg Trials. Several secret U.S. government projects grew out of Operation Paperclip. These projects included Project CHATTER (established 1947), and Project*

BLUEBIRD (established 1950), which was renamed Project ARTICHOKE in 1951. Their purpose was to study mind control, interrogation, behavior modification and related topics."

But this Doctrine of Demons is in direct opposition to the Spirit of the Constitutional Law banning Cruel and Unusual punishment.

What I find interesting is the timing of this dream, in that it followed immediately after Your prophetic words through President Trump to "drive them (terrorists) out".

Change one word, and we have an almost verbatim quote of something You said as recorded in Scripture where it says:

"they shall cast out demons (terrorists)"
Mark 16:17b

In order for the United States to become Your Message of Friendship, Hope, and Love, to the rest of the World, we need to be exorcised of any and all agreements with Hell, including using demonic mind control techniques as a form of military weaponry.

While this isn't the first Intercessory Exorcism I have been involved with, but, combined with interceding for the President and First Lady's marriage, it so far has proven to be the most painful special operation since the Motorcycle Wreck in 1995.

According to angel Gabe, 80% of the pain is spiritually sourced due to the intercessions, both for the President and against the angelic terrorist, and 20% is due to lactic acid build up in the physical muscle tissues.

Gabe further states that the spiritual pain is 80% due to interceding for the marriage, and 20% due to the exorcism. He said that if it had just been the exorcism, I wouldn't have paid much notice to it. Interceding for the President's marriage on the other hand is most painful. Put the two together means I get to stay home in bed, or sit at my desk writing.

Lord Jesus, we pray that this kind of Intercessory Exorcism will see completion and become much less painful in the very near future.

Amen.

Blessings...

R. C. Theophilus
