

Letter 597
DREAM - VISION
The Gatekeeper of Reprobation
2017-05-29

Dear **Jesus**,

Monday, 29 May 2017, 5AM.

About two days ago day I awoke from a dream.

I DREAMED THAT:

I found myself within the confines of a Restaurant, where I was being sexually assaulted by forces unknown to me.

I decided that I wanted to leave, and as I walked toward the exit door, I started to pass a Man standing behind a small counter top, the kind where seating charts are kept and reservations are made and confirmed.

I knew in the dream that the man was the Gatekeeper of the Restaurant Facility.

END OF DREAM.

VISION.

As I was waking up, I continued by vision in the Restaurant while at the same time inquiring of the Lord Holy Spirit.

He indicated that the Restaurant was an entrance to the Reprobate Mind, and that the Man behind the counter was there to entice Patrons to enter, and to discourage them from leaving.

Armed with this Intelligence, I approached the Gatekeeper and said to him:

“GATEKEEPER NO LONGER”.

With this Word, the Man was taken into custody and thrown into the Pit. After that I called for Three Soldier Angels to come and replace the Gatekeeper. They arrived dressed in Camouflage BDUs and bearing Arms. When they took up the Man’s place at the Counter, I instructed them to allow Patrons to leave, but to not allow anyone else to enter.

After this is I woke up fully.

END OF VISION.

Blessings...
