

Letter 602  
**OEM Spec. Healing**  
2017-06-18

Dear **Jesus**,

On the 15<sup>th</sup> of July 1995, I was struck down by a motor vehicle while I was riding my motorcycle. The resulting injuries left me partially paralyzed, with a medical rating of being partially, permanently disabled, which consequently adversely effected my ability to earn an income.

The injuries were as follows:

01. Acetabular and pelvic fracture on left side.
02. Left Fibula/Tibia complete fracture.
03. Compartment Syndrome to much of my left leg.
04. Damage to Left Knee.
05. Damage to nerves within left leg, causing muscles and tissue to wither.
06. Death of the left Gluteus Minimus muscle, requiring excision.
07. Heterotopic Ossification of muscle tissue, requiring excision.
08. Boney cyst growth under medial-collateral ligament, requiring surgical removal.
09. Strange continuous tingling pain in leg and foot.
10. Various interventional surgeries.
11. Years of chronic pain.
12. Severe spiritual and mental trauma.
13. Reduced mobility due to paralysis.
14. Reduced enjoyment of life due to all of the above.

Further, the injuries I sustained in 1995 have also brought forth accelerated collateral deterioration of other areas of my body which were not originally injured. This includes but is not limited to ruptured discs, spinal scoliosis, and the loss of marital conjugal activities.

According to Scripture, complete remediation for all these injuries has already been procured by You. In fact, in L79V2, I testify to the fact that the Lord Holy Sprit Himself prophesied, twice, that I already WAS healed.

Add to that what was earlier written in the prophetic poem Seven Fifteen 95, where You said that;

“... I’m in the mood  
Now, to fully heal this Biker Dude”,

and, well, someone, me for instance, might just wonder when this Full Healing will finally become Earth Actual.

In the years since the original injuries, You have made Yourself known to me in many ways, all of which I still find quite remarkable.

In L25V1 I wrote about how You provided pain medication through miraculous means. One of these was to reveal Your angel to me, who I later came to know as my own “guardian” angel. He and I agreed that I could call him Gabe, after he first introduced himself to me as angel Gabriel’s cousin.

Since that time, Gabe and I have had innumerable conversations about my injuries and when they will be healed.

One thing he revealed to me was that my injuries were not entirely caused by the impact of the SUV on my bike and body, but were more directly caused by Satan himself, who was wrathful at my having earlier interceded for a young Christian woman (CS1) whose life he had access to and was planning to destroy. He was trying to use the vehicular impact as a smokescreen for his own destructive activities.

Apparently, the prayers that I prayed for (CS1) put up such a defense around her that all the Devil could do was come after me personally.

Not long ago I started to say to my Angel Family how I wanted to have what I call a complete OEM Spec. Healing. This stands for Original Equipment of Manufacture Specification(s).

To be clear, what I am asking for, and what I believe You were alluding to in the Poem, is for me to be healed back to the way I was before I was injured, back to the way I was born, with little defect and no injuries other than a few scars and missing wisdom teeth.

So, in this Letter, the Lord Holy Spirit and I are beginning the process that will bring this healing about, simply by asking for You to send Your Word on How You want to accomplish this.

P. S. As long as You’re at it, would You consider healing the Pilonidal Cyst on my lower spine, and my misshapen little toes on my right foot? And my eyes so I don’t need glasses anymore? And my right elbow that was injured getting on the bus? And for a restoration of youth that was stolen from me? Maybe a few more things I don’t remember? Just asking.

P. S. Please let Dad know it’s Happy Father’s Day. Thanks.

Blessings...

R. C. Theophilus
