

Letter 613  
**VISION**  
**King of This House**  
2017-08-12

Dear **Jesus**,

**Saturday, 12 August 2017, 7AM.**

A few days or maybe a week ago I was thinking about one of the most painful parts of my life. This is the part where I have no earthly sons and daughters.

In the past sometimes the pain would become so great I would have to go lay down and meditate on the Lord to overcome it.

I don't remember what I was doing, but this time as I was thinking about this pain, I found myself by vision come into an empty room.

**IN THIS VISION:**

I was standing just in front of the door to the room, having just walked in. Suddenly You appeared in the room sitting in a chair, right in the middle of the room.

Then you looked up at me and said:

“THIS IS YOUR HOUSE. THIS IS MY HOUSE. THIS IS OUR HOUSE.  
YOU ARE THE KING OF THIS HOUSE.  
BUT I AM KING OF KINGS. SO I AM PULLING RANK.  
YOU NEED TO STAY OUT OF THIS ROOM FROM NOW ON”.

**END OF VISION.**

Since then I have obeyed Your Word, and I can say that the pain has diminished a fair amount. Thank You.

Blessings...

R. C. Theophilus
