

Letter 613
VISION
King of This House
2017-08-12

Dear **Yeshua**,

Saturday, 12 August 2017, 7AM.

A few days, or maybe a week ago, I was thinking about one of the most painful parts of my life. This is the part where I have no earthly sons and daughters.

Sometimes in the past when considering this, the pain would become so great I would have to go lay down and meditate on the Lord to overcome it.

I don't remember what I was doing at the time, but at one point, as I was thinking about this immense sorrow, I found myself by vision come into an Empty Room.

IN THIS VISION:

I had opened the Door and entered the Empty Room. I closed the Door and and was standing just inside with my back to the Door. Suddenly Jesus appeared in the room sitting on a chair, right in the center of the room.

Then He looked up at me and said:

“THIS IS YOUR HOUSE. THIS IS MY HOUSE. THIS IS OUR HOUSE.
YOU ARE THE KING OF THIS HOUSE.
BUT I AM KING OF KINGS. SO I AM PULLING RANK.
YOU NEED TO STAY OUT OF THIS ROOM FROM NOW ON”.

END OF VISION.

Since then I have obeyed His Word, and I can say that the pain has diminished a fair amount since then. Thank You Jesus.

(SPECIAL NOTE 2020-06-28: Not long after seeing this vision, I went back to the Door to the Room, and put a Magnetic Seal (such as seen on Star Trek - Enterprise) on the outside doorknob, to remind me not to re-enter the Room. But even the memory of having been in the Empty Room can be painful. This is the Room where I would have stored all the memories of my children being conceived, born, and raised into adulthood. Blessings...
