

Letter 617
A Short History of Vision
 2017-08-18

Dear **Jesus**,

A few days ago the Lord Holy Spirit suggested that we write a synopsis of how I became what is presently being called a “seer”, or someone who senses spiritual things more acutely than others.

While I have written extensively in my Testimony about this, the Lord wants us to document a short history of how this seeing ability began in my life.

1. IT ALL STARTED WITH YOU*.

Sometime in about 1992 a friend of mine gave me a test to reveal my spiritual giftings. My highest score was that of “perceiver”, or “seer”. In the Old Testament this is called being a Prophet.

*(Formerly in Israel, when a man went to inquire of God,
 he spoke thus:
 “Come, let us go to the seer”;
 for*

*he who is **now called a prophet***

*was **formerly** called a seer.)*

1 Samuel 9:9.

After that, I started to “see” You in the spirit while I was at restaurants, which I visited in those days with great frequency. You would sit in the booth across from me, and we would have conversations, sharing our thoughts, One with another.

2. THEN YOU REVEALED ANGEL GABE

Angel Gabe (NOT Gabriel), was first revealed to me while I was on my couch in my family room. I had just sat down to rest. I then closed my (natural) eyes and locked my hands behind my head. About three to five seconds after I did this I saw in the spirit a flash of very bright light and the face of a very good looking young man. This occurred I think in about 1996. See Letter 25 Volume 1.

Later on, in November of 1999, You asked me if it was OK for You to introduce me to someone who was “gay”. I said yes, and over a period of about a week, while I would be at work, You began to show me in a variety of ways that You and I were also being accompanied by another spirit person. What’s interesting is that You didn’t mean “gay” as in reprobate, but You meant “gay” as in “happy”, “bright”, and “cheerful”. These three words can certainly be used to describe angel Gabe’s demeanor.

3. THEN YOU BEGAN TO TEACH ME PRIVATELY AT SCHOOL TO SEE

In October of 1999 I went to work for the Snoqualmie School District as a custodian. I spent half of the work-shift at the District Offices, and the other half at Snoqualmie Elementary School. While I was working at the offices I would interact both with You in spirit-space, and with the people around me in earth-space. But at the elementary school You and Gabe began to teach me how to see and discern other faithful angels. You and Gabe also taught me to see evil spirits of all kinds, and to “take them out”, meaning to properly dispose of them using Authorized Kingdom HazMat Disposal Protocols, by using Your Word with the Power of The Holy Spirit. See Letters 23 through 35b Volume 1.

4. THEN YOU GAVE ME REST

I worked for only seven months at the Snoqualmie District. After that I resigned due to medical reasons. I spent the summer and all the next school year recovering from the pain I had to endure while opposing the enemy.

5. THEN WE WENT TO HELL, AND KICKED SATAN’S BUTT - BIG TIME.

In July of 2001 I went to work at the Hospital (G6) where I am still employed. This event began the process that would eventually began the fulfillment of Scripture where it says:

“... AND THE GATES OF HELL SHALL NOT PREVAIL...”

Matthew 16:18

There is too much detail during this time to try to encapsulate in this short Letter, so I will quote certain Letters and provide links to thier respective PDFs for the reader to access as they so desire.
