

Letter 632
George Soros
2017-10-10

Dear **Jesus**,

Monday, 9 October 2017, 7AM.

Well, its now been four years today since the Lord Holy Spirit and I sent Satan to the desert. This was documented in Letter 214 Volume 4. And for about two weeks after that I thought the war was over.

But I found out that there was much more to do in removing the Enemy from the Face of the Earth. Most of the letters I have written since October of 2013 prove this point.

Then there's this.

Just now while I was looking in the case that houses this computer (MacBook Pro), I found some mail I had slipped in a pouch, which had a postmark of 28 August. Fortunately none of the three envelopes contained any bills that didn't get paid.

But one envelope was from The World for Jesus Ministries, headed by Nita Johnson. I opened the envelope to find an announcement for a National Prayer Meeting which is sponsored annually called Gathering of The Eagles.

I was actually at a meeting once many years ago where Nita Johnson was the keynote speaker. Since then I have been getting her mailings.

This brochure was announcing the upcoming gathering, to start TODAY, 9 October, and run through 12 October.

I read the brochure, and found that she mentioned George Soros by name, as one who is dedicated to the destruction of a free United States, Israel, and the World.

I put the brochure and envelope back into the case, and began to think before the Lord if there was any meaning to my "chance" finding of this news on the very anniversary that today is (see attached brochure here).

Here is what Wikipedia.com says about George Soros:

His early studies of philosophy led him to develop and apply Karl Popper's General Theory of Reflexivity to capital markets, which he claims renders him a clear picture of asset bubbles and fundamental/market value of securities, as well as value discrepancies used for shorting and swapping stocks.

(https://en.wikipedia.org/wiki/George_Soros#Reflexivity_in_politics)

=====

Soros believes there can be no absolute answers to political questions because the same principle of reflexivity applies as in financial markets.

The Lord then led me to realize that the B-SOGs that run George Soros' life can be finally, totally, defeated by applying the MMIP and M544 operations to his life.

With this Letter, please consider that MMIP and M544P have been both requested, and reckoned fulfilled. Archival email has been sent. Thank You Jesus.

Blessings...

R. C. Theophilus
