VISION
Overthrowing The Prince of Breast Cancer
 2017-11-26

Dear **Jesus**,

Wednesday, 22 November 2017, 7AM.

This last September my wife (M) went for her annual mammogram x-ray. The results came back with some concerns that needed to be addressed further. After another test, I accompanied her to a Specialist Doctor in the Field of Breast Health to review the x-rays.

We looked at the pictures together, and the Doctor pointed out some small white specks that looked suspicious. The Doctor then indicated that the best course of action would be to perform a biopsy and find out whether the spots represented the beginnings of a cancerous tumor, or just some small, benign cysts of no concern.

We are scheduled to have the biopsy procedure performed on Monday, 4 December of this year, at the same hospital (G6) where I work.

Monday morning last of this week we had a pre-operative appointment to begin the scheduling process. We arrived early so I could go to the Hospital Lab and have a blood draw for a Tuberculosis test, an annual requirement for Hospital Workers in the State of Washington. The annual timing happened to “coincide” with (M)’s appointment.

While I was having my blood drawn, there was one who appeared to be a Lab Supervisor, which was overseeing the activity of the Lab Technician who was drawing my blood. The young technician “lost the vein”, so the Supervisor had to come over and assist.

After another try or two, the needle found its mark, and my blood was drawn into three or four individual vials.

Then, on Tuesday morning, after work, dinner and Family TV time, I was laying in bed heading toward sleep. Then I found myself being taken into a Vision which had two parts.

VISION PART 1:

The Lord took me into a room where there were some people standing in a crowd. Then I noticed one Man who emanated an authoritative air about him. He looked at me briefly, then started to walk away from the crowd, seeing if he could leave without being noticed.

But I commanded the Man to return. While he was reluctantly walking back toward me I Grilled him, after which point he was removed by one of Michael’s angels and thrown into the Pit.

The next thing I know I am walking down a hallway at (G6). Then...

VISION PART 2:

... I find myself standing in one of the hallways in (G6) close to the area that I clean. I was sort of tucked into an entry of a doorway so that I wouldn't block anyone else's egress. Then a Lady wearing a White Clinicians Jacket, who looked exactly like the Lab Supervisor, came walking along the hallway. She must have noticed my presence, because when she turned her head to look at me, she opened her mouth in a very non-human, elongated, open-mouthed grimace, full of hatred and alarm, as if she was screaming to summon help from some of her associates. I knew she was an evil spirit of some kind.

END OF VISIONS.

After I inquired of the Lord Holy Spirit, He described to me that the Man in the first vision is the Prince of Breast Cancer. The Lady who I saw in vision #2 was one of his subordinates.

The Breast Center is a part of the Hospital, but a separate business and clinical entity. So there was a Prince assigned to that department. But this Man was the Arch-Prince who oversees Breast Cancer in the entire Pacific Northwest region.

Here therefore is our Prayer against the Princes of Breast Cancer.

Dear Lord Jesus,

Please heal my wife (M) from Breast Cancer. Forgive all the sins of her past and those in her family blood lines. Crush the cancer cells with the Right Hand of Your Power. Remove all the Princes of Breast Cancer and all their resources. Destroy completely the House of Breast Cancer. For it is written that:

**The Book of Philippians
Chapter 2
Verses 5 Through 11**

Let this mind be in you which was also in Christ Jesus,

who, being in the form of God, did not consider it robbery to be equal with God, but made Himself of no reputation, taking the form of a bondservant, and coming in the likeness of men. And being found in appearance as a man, He humbled Himself and became obedient to the point of death, even the death of the cross. Therefore God also has highly exalted Him and given Him the name which is above every name, that at the name of Jesus every knee should bow, of those in heaven, and of those on earth, and of those under the earth, and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.

**The Book of James
Chapter 5
Verses 13 Through 18**

Is anyone among you **suffering**?
Let him **pray**.

Is anyone **cheerful**?
Let him **sing psalms**.

Is anyone among you **sick**?
Let him **call for the elders of the church**, and
let them **pray over him, anointing him with oil in the name of the Lord**.

And the prayer of faith will save the sick, and the Lord will raise him up.

And if he has committed sins, he will be forgiven.

Confess your trespasses to one another, and pray for one another, that you may be healed. The effective, fervent prayer of a righteous man avails much. Elijah was a man with a nature like ours, and he prayed earnestly that it would not rain; and it did not rain on the land for three years and six months. And he prayed again, and the heaven gave rain, and the earth produced its fruit.

**The Book of First John
Chapter 1
Verses 5 Through 10**

This is the message which we have heard from Him and declare to you, that God is light and in Him is no darkness at all. If we say that we have fellowship with Him, and walk in darkness, we lie and do not practice the truth. But if we walk in the light as He is in the light, we have fellowship with one another, and

the blood of Jesus Christ His Son cleanses us from all sin.

If we say that we have no sin, we deceive ourselves, and the truth is not in us. If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness. If we say that we have not sinned, we make Him a liar, and His word is not in us.

Amen.

Blessings...
