

Letter 647  
**DREAMS**  
**Pastoral Intercession**  
 2017-12-03

Dear **Jesus**,

**Monday, 27 November 2017, 6AM.**

Yesterday, Sunday I had a dream just before waking up at about 7PM.

**SUNDAY DREAM**  
**I DREAMED THAT:**

I was in a house, being shown around by a Young Man. He seemed to know his way around, so I followed him.

We entered one room which had a bed with a headboard that had a shelf covered by a curtain. I could see past the curtain and saw a row of bright yellow stuffed animals lined up on the shelves. They were all different, yet all looked the same. I knew they were used somehow in sending spells of witchcraft to people.

Then, the Young Man led me into a bedroom. We went through a doorway the put us to the left of the bed, if one was laying on the bed. On the bed lay a Young Woman. I knew she was a Spirit of Witchcraft.

We left the Bedroom the same way we came in, and I followed the Young Man around the perimeter of the House to another door. Before we entered the door he said;

“THIS ONE WON'T BE SO EASY”.

At first it didn't make sense what he was saying, but after we entered the room, I saw that we were in the same Bedroom as before, with the same Young Woman laying on the bed. Only this time we were standing to the right of the Witch.

I began to declare God's word over the Bed and the Lady. Then I began to declare Jesus over the bed, only I was saying His Hebrew Name, Yeshua.

While I was speaking His name aloud, I was also gesturing with my hands over the bed, drawing a hyper-dimensional cube, and declaring Yeshua at each intersection of the Grid. I remember repeating many times as I gestured with both hands open wide, saying:

“YESHUA, YESHUA, YESHUA, YESHUA”.

While I was doing this, the Lady was trying to mimic what I was doing, attempting to place her hands against mine and saying strange words, attempting to parry my every move.

At the beginning of the dream, the Holy Spirit spoke a name to me in a low tone. He said:

“PASTOR MARK DRISCOLL”.

At the same time He shared His thoughts with me, that what has going to happen was for Pastor Mark.

**END OF DREAM.**

I woke up with very sore shoulders, and I was really tired most of the rest of the day. Then I asked angel Gabe if he was the Young Man in the dream. He said he was, and he then informed me that the Witch Lady was the Angel of Witchcraft who had been assigned by Satan to Pastor Mark Driscoll from his birth.

Then I realized that the dream might be important to some of those I know who had attended Pastor Driscoll’s previous Church, Mars Hill. So I immediately called a former Deacon and shared this dream with him.

=====

On Saturday I had dream prior to the one above.

**SATURDAY DREAM**

**I DREAMED THAT:**

I was in an Office Complex where people took Prayer Requests by phone. A Young Man was with me and showing me around. We walked into the Room where the Phone Banks were, with long rows of what looked like older style Computer Consoles with Telephones at each Console.

It was situated so that each row had chairs at each station, with about twelve consoles in each row. There was a walking aisle in between, with the two rows of chairs facing away from the other. There were at least three, maybe four sets of two rows like this. So it was a Big Room that housed all this Equipment and Personnel

As soon as we walked into the Phone Bank Room, all the People who were sitting at the Phone Consoles stood up at attention, as if giving honor to our presence and preparing for an inspection.

What was interesting was that each row of Workers to the left were all dressed in Standard Casual Office Wear which was job appropriate. But the other row of Personnel to the right were all dressed in Light Blue Hospital Scrubs, the same that I wear at work.

I observed this for a moment, and greeted as many of the Workers visually with a glance as possible. I could tell that everyone was content, and had a sense of Joy appropriate for the work environment.

**END OF DREAM.**

I woke up sore from this dream, but not nearly as bad as the one from Sunday. At the beginning of the dream the Lord Holy Spirit had whispered the name Pastor John Hagee in

my ear. After I woke up, I inquired of the Lord as to the meaning of the dream. He said that this was an intercession for Pastor John Hagee, his Church ministry, and Pastor Hagee's son. The Young Man in this first dream was angel Gabe, like in the second dream. It is important to note that Cornerstone Church is headquartered in San Antonio, Texas.

Per the Rules of Engagement presently active in our Battle Operations, the Witch Lady in the Sunday dream has been sent to the Pit. Thank You Jesus.

Blessings...

R. C. Theophilus
