

Letter 648  
**From Brown Belt to Black Belt**  
2017-12-09

Dear **Jesus**,

In Letter 645 Volume 7, I write about how You began the process of overthrowing the Princes of Breast Cancer at (G6). I now would like to report on the completion of our part of that operation.

Monday, 4 December 2017, (M) and I reported to (G6) on time, which was 8AM. We had been instructed to go to a particular part of the Hospital to check in and wait.

While we were there, I received a call from a friend who I hadn't heard from in almost two years. He is a Baptist Christian, and we had parted company due to my sharing with him a little about my Seeing Gift, and due to the Enemies stronghold against the Gift of the Holy Spirit which has been prevalent in the Baptist Church for a long time. This call encouraged me greatly, and gave me something to ponder while I waited for the medical biopsy procedures to be performed on (M), in order to determine whether she had breast cancer.

I had taken both Monday and Tuesday off from work so that I could accompany (M) to the hospital, and to recover from being up for 24 hours without any sleep.

In the preceding weekend I had rested and worked on various odd jobs around the house. This included altering a trouser belt I had purchased a few months earlier.

After getting the belt home from the store, I saw that it was reversible. One side of the belt was brown, the other side was black. It had come from the store with the brown side exposed, facing outward toward the public. So, when I was wearing it, it was a Brown Belt. My previous belt was exactly the same, except that it had come from the Store with the black side facing outward, away from my body.

I hadn't really noticed or cared which side was which at first, but then over a period of time I began to think that I liked black better, and that "one of these days" I would remove the fastening screws and turn the belt over so that the black side faced outward.

"One of these days" came on Sunday. I had some extra time, so I reversed the belt, turning it into a Black Belt.

At the end of the day on Monday, we left the hospital for home, with the assurance from the Doctor who performed the surgery that we would hear results in two or three days.

Its a good thing I took Tuesday off. I was severely beat up from interceding against the Resources of Hell which had been assigned to Breast Cancer at (G6). And for the next two days at work, I was so sore I could barely walk. But I was able to overcome with a whole lot of help from my friends.

On Wednesday evening, at about 6PM, we received the call from the Doctor who had performed the biopsy. She reported that there were NO CANCEROUS TUMORS, and that further treatment was not required. Both (M) and I were very much relieved. And just before the phone call came I had discovered a box of flowers on the front porch which been sent from some of (M)'s lady friends.

Then, that night while I was at work, the Lord Holy Spirit reminded me of my belt being changed from Brown to Black, and He took that opportunity say to me then, and now as I write that:

“BECAUSE OF YOUR PERSEVERANCE IN OVERCOMING THE FORCES OF HELL WHICH CAUSE BREAST CANCER, YOU HAVE BEEN PROMOTED FROM A BEING A BROWN BELT, TO A BEING A BLACK BELT, IN THE MARTIAL ARTS OF THE KINGDOM. WEAR IT WITH HUMILITY.”

He also added that this Black Belt rating would be effective against ALL forms of cancer, not just breast cancer.

So, I pray oh Lord, that You will help me to stay humble as I walk in this Gift Upgrade before the King.

Thank You Jesus for Healing (M) from Cancer. Please bless richly all those who prayed for us in this matter.

Amen.

Blessings...

R. C. Theophilus
