

Letter 656  
**A Delay In Time Is Requested**  
2018-01-01

Dear **Jesus**,

**Monday, 1 Jan 2018, 3AM.**

In Letters 337 and 344 Volume 5-14, I write about how the Lord Holy Spirit began to suggest that I could be made ten years younger when I turn 60 years old, as a way to recover the years that Satan stole from me while I was wrestling with him at (G6).

About a week ago He began to ask me if I would be willing to agree to a delay in that part of His word regarding me getting ten years younger. I was a little taken aback at first, but His rationale for making this request of me was unimpeachable.

“WHAT WOULD IT BE LIKE FOR (M), IF SUDDENLY HER HUSBAND  
BECAME 10 YEARS YOUNGER, AND FULLY HEALED,  
WHILE SHE CONTINUED TO BE DISABLED AND OBESE?”

was the scenario the Lord proposed to me this past week.

I gave this much thought, and realized that He was right. If this happened to me, but not to her, it would really hurt her feelings, and our marriage. I considered asking the Lord for a similar miracle for (M), but I already knew this wasn't possible, at least at this time.

So, as of this writing, I have agreed to a delay in receiving His Word concerning this matter as it relates to me. This does not delay at all that part of the Vision of Chronology as it relates to the 9 billion dead souls Jesus is going to save.

The Lord also said that His request for me to agree to a delay for this unique form of Chronological Healing did non include the physical healing of my body, so I can still receive what I call “OEM Spec. Healing” (see Letter 602 Volume 7) without hurting my wife. I am very grateful for that part.

So now, I think this year I will actively seek the healing You specified in the Poem You gave to me many years ago.

Blessings...

R. C. Theophilus
