

Letter 658
Destroying The House of Witchcraft
Part 2
DREAM
The Witching Pool
2018-01-07

Dear **Jesus**,

Sunday, 7 January 2018, 7AM.

Just before I woke up yesterday at about 7PM, I had a dream.

I DREAMED THAT:

I was in a building which had a swimming pool in it. I wanted to go swimming, so I changed into my swimming trunks and jumped into the pool.

I noticed that there was a number of people sitting in the observation bleachers, as well as other swimmers in the pool with me

While I was swimming, two or three of the other people began to make remarks indicating they wanted to have intimate, carnal relations with me.

But I did not share their amorous desires. I just wanted to swim.

I tried to swim a little longer, but their sexual advances began to distract me and get on my nerves. Then I awoke.

END OF DREAM.

After waking I went about my usual weekend routine of making coffee and some breakfast. But I felt drained of energy, and my shoulders were very sore. I had to take my pain medications all throughout the night. I also had to lay down many times and rest, trying to nap. I had to ask angel Gabriel for a shoulder massage at least three different times. And as I write this Letter I am still sore and not fully recovered. But I did make it into town for my morning coffee. After that I felt a little better.

The Lord Holy Spirit informed me later on in the night that the other people in the dream were all Angels of Witchcraft, all of which I wrestled with in the dream. And of course, they no longer roam the face of the earth, but have been cast into the Pit.

Blessings...
