

Letter 662
DREAM
“Betrayed”
or
“You’ve Been Served”
2018-02-09

Dear **Jesus**,

Wednesday, 7 February 2018, 7AM.

On Monday, 5 February I had a dream at about 11AM, then woke up.

I DREAMED THAT:

I was standing with a group of people. I did not know who the people were. I was just being there in their presence. Suddenly an individual, a Man, became prominent in my awareness. Then, with the ears of my spirit man, I heard him say these words:

“I HAVE BEEN BETRAYED”.

Then I woke up.

END OF DREAM.

I opened my eyes and saw that I had slept for only a minute or two, because I had just fallen asleep shortly before 11AM. I pondered the dream for a moment, which had left me feeling troubled. Then I turned on the TV for a little while to take my mind off the dream. A little while later I went back to sleep for the rest of my night. After I woke up for the day and went to work, I inquired of the Lord Holy Spirit about the dream. This in essence is what He said.

The people I was with were a group of Angels of Witchcraft assigned to the Automobile Company I had done business with just that morning. The Man was their Leader, making him the Head Warlock. My presence in Spirit-Space was enough to serve Legal Papers to the Head Warlock, which commanded him and all of his own resources to report to and be cast into the Pit. It was when he read the Sentencing Papers that he said, “I have been betrayed”, wanting to blame his sentence to the Pit on someone else.

But this is a part and continuation of the War of Jesus against the House of Witchcraft. This is the sentence rendered to them as a result of their continued illegal behavior on the face of the Earth, and made possible by the Crucifixion and Resurrection of Christ. These Legal Document are the same documents which we call MMIP Forms (see MMIP form). Upon completion, they are then served to the offending parties specified on the document.

Blessings...
