**DREAM**  
**Astoria Overwatch**  
2018-03-03

Dear **Jesus**,

**Saturday, 3 March 2018, 8PM.**

About a week ago I had a dream.

**I DREAMED THAT:**

I was parked in my Chevy S-10 Truck on the top of a wooded hill overlooking the City of Astoria, Oregon. This hill was just to the west and a little south of the town proper. My truck and I were facing east. I was parked in a small hollow on the top, with the hill rising ahead of me in a gentle slope to the crest, not that far away.

To the north, which was at my left, there was a clearing, through which I could clearly see down onto some of the roof tops and bright colors of buildings in the western downtown area.

It appeared that I was about 300 feet or so above City.

While I was sitting in the Truck, watching the Town, I saw a young couple emerged from the thicket ahead of me and come waling together hand in hand toward me.

**END OF DREAM.**

After inquiring of the Lord, I was informed that the Young Couple in the dream were angels Gabriella and Gabe, coming to help me keep watch.

Blessings...
