

Letter 688
SIGN
My Love For You
2018-06-19

Dear **Jesus**,

Tuesday, 19 June 2018, 9PM.

This last Friday at about 7:45PM while driving to work, I saw a sign which made me wonder, in the form of a personalized plate with this message:

MYLUV4U.

About a minute before seeing this plate, I was thinking about the severe homeless situation in Seattle, and then about love, and the Scripture where it says that “because iniquities abound, the love of many has waxed cold” (Matthew 24:12). The vehicle was a Silver Honda Sedan.

This was very comforting to me over the weekend as I was exceedingly sore from conflict with the various elements of HR which I contend with on a fairly regular basis.

The most recent of these conflicts has been twofold, both in the House of Medicine, and in the U. S. Social Security Department.

Thank You Jesus for this sign.

Blessings...

R. C. Theophilus
