

Letter 695  
**DREAM**  
**House of Racism**  
2018-07-04

Dear **Jesus**,

**Wednesday, 04 July 2018, 11PM.**

Tuesday just before I woke up at 5:30PM I had a dream.

**I DREAMED THAT:**

I was in a state of great turmoil because I had gone online to my stock-broker, and had sold all of my shares of a particular Exchange Traded Fund (ETF) at a loss. I kept wondering why I sold the shares in the first place, and it caused me great anguish.

**END OF DREAM.**

After this dream I woke up with sore shoulders, which means I had been wrestling with someone from HR.

Before I had gone to bed for the day and had the dream, I had been reviewing my stock trading accounts at an online brokerage house which I had only been associated with for a little while. My original brokerage house, which I liked, had been purchased about a year earlier by this new firm. Then I had called a service representative with some questions. When the man answered the phone, he spoke a greeting with a slight hispanic accent, and then pronounced his name in perfect Spanish.

I couldn't quite understand his pronunciation, so I asked him how he spelled his name, to which he responded with J-O-R-G-E (George in english), which I wrote down, as I document select contacts with banks and brokerage houses. After that we entered into what I considered a congenial and friendly phone conversation regarding my questions, which he answered to my satisfaction.

But I could tell that the reason he spoke out his name in his native tongue was to emphasize his allegiance to his native country. I could also tell there was brief impulse in Spirit-Space toward racial conflict, which I resisted. In the dream, I had been wrestling with a representative from HR who specialized in racism, and whose goal it was to promote racial superiority, regardless of country of origin. The House of Racism is what we see prevailing in much of the world today, and in the United States; against both United States Citizens, and against Illegal Aliens who want to trespass in this Nation.

HR plays both sides of the field, and does not discriminate in its attempt to destroy Mankind.

Blessings...

R. C. Theophilus
