DREAM
Overthrowing The House of Sexual Sin and Perversion
2018-07-04

Dear **Jesus**,

Sunday, 08 July 2018, 5AM.

Friday just before I woke up at about 5:15PM I had a dream.

I DREAMED THAT:

I was laying on my bed, but in a different house and room than my own bedroom. Then I became aware of a fully naked man in the room to my right. It seemed that he was there to purchase adult sexual aids.

Then I noticed at the foot of my bed, standing several feet away, a counter with a glass front. The space under the counter contained a variety of marital aids for sale, being clearly seen through the glass front.

Then suddenly, at the foot of my bed, in the space between my bed and the counter, I saw a fully nude woman. She began writhe in apparent sexual pleasure, and then she said out loud:

“I’M GOING TO HAVE AN ORGASM”.

END OF DREAM.

Later on while at work as I did my usual and customary inquiry of the Lord I was informed that this was the House of Sexual Sin and Perversion, and that we had removed two HR* House Managers to the Pit.

And now as I write, the Lord is informing me that this was the first round in destroying the House of Sexual Sin and perversion.

Amen.
