

Letter 698
DREAM
Overthrowing The Spirit of Killing
2018-07-15

Dear **Jesus**,

Thursday, 12 July 2018, 4AM.

Monday before I woke up at about 5:30 PM I had a dream.

I DREAMED THAT:

I was in the living room of my house looking at the wall by the coat closet. Someone had installed what looked like an electrical junction box. It was not finished, but had wires extruding out from the box, waiting for whatever device or switch was going to be installed.

Just then I notice another man in the living room with me. He was there uninvited. I turned to him to challenge his presence in my house. The I became angry, even furious, and I grabbed the man by the throat with both hands, and with a loud voice I shouted to him face to face:

“I’M GOING TO KILL YOU”,

and I was exceedingly wroth that he was in my house.

but then I calmed down quickly, and let him go without causing any harm other than to surprise him with my sudden outburst of anger. Then I walked over to the junction box and looked more closely at the partial installation.

Tugging on one of the protruding wires, I discerned it was loose, so I pulled a little harder, and after about 4 inches of pulling, the wire came out completely. It was stripped at both ends, but had gone no where. It was a fraudulent installation. A lie.

END OF DREAM.

After this dream, I was tired all night at work, and drained of energy. It wasn’t until Tuesday night that I was fully recovered. Upon inquiring of the Lord, He is informing me that the man was an evil spirit who had previously inhabited the (Earth-Space) house my wife and I live in. He had been cast out when You delivered our house earlier from demons (see Letter 31 Volume 1). A spirit dedicated to violating the Sixth Commandment to not kill.

With this dream, the Lord Holy Spirit is removing from our house the last remaining resonance of this powerful fallen angel.

Thank you Lord Jesus.

Blessings...

R. C. Theophilus
