

Letter 708
Amarosa, Amarosa
2018-08-23

Dear **Jesus**,

Thursday, 22 August 2018, 6AM.

Last weekend I woke up from a troubled sleep saying these words in spirit-space:

"AMAROSA, AMAROSA".

This was last Saturday. I felt like crap all day after that.

Then, yesterday a Brother posted a reference on the Divine Council forum which had to do with the Spirit of Jezebel being set to attack President Trump and the United States, and the Church.

After I read his post I began to realize that there was a connection to what I had experienced over the weekend, and to the warning against Jezebel.

Below is what I posted in response to our Brother's post:

A woman named Omarosa was part of the President's staff for a short time. She worked with him on his TV show The Apprentice. Now she has become his enemy. Please be advised, Jezebel can (and will) be conquered. If you have time, please listen to and agree with this PrayerSong: Letter 445 Volume 6.

*Here is a link to Wikipedia about Omarosa:
https://en.wikipedia.org/wiki/Omarosa_Manigault_Newman.*

"Omarosa" is the name of the Human female reality TV show actress. "Amarosa" is the name of the Witch Angel assigned to Omarosa from HR (Hell's Resources).

Therefore, we do hereby pray and humbly request that the M544 Protocols be activated on behalf of the Lady known as Omarosa, and that fallen Witch Angel known as Amarosa will be completely removed from her life forever.

Amen.

Blessings...
