

Letter 717
My Dad's Letter
2018-10-07

Dear **Jesus**,

9 September 2018.

NOTE: This letter was written and sent to me sometime in 1984 by my dad (CB6), while I was working as a custodian at (G1a). This was in the same year and at the same place where I met my future wife and received the Ghostbusters (Balloon) Anointing.

=====

My Son "Romanus",

Since it is hard for me to express my feelings I thought I would write a letter. You have come a long way in a very short time. You have accomplished in a few years what has taken me most of my life. I'm proud.

Son, if I have ever done or said anything in the past to offend or hurt you I humbly ask your forgiveness, and I am going to try and better our relationship in the future.

It may seem sometimes that I don't hear what you say when you talk to me, I just don't understand. I'm a shallow thinker and your thoughts and feelings go very deep. I do care and I try to understand.

I have asked God to give me the wisdom to understand more the feelings of others. I am going to try to better my relationship with (CS4) and the rest of the boys also.

Please pray for me that I might succeed in this as I'm really trying. The one thing I'm trying to say is I love you — —

Your Loving Father,
(CB6)

SPECIAL NOTE:

The Scripture below is from my Dad in Heaven, and represents the continuing fulfillment of this Letter:

**The Book of Malachi
Chapter 4
Verses 5 and 6**

Behold, I will send you Elijah the prophet
Before the coming of the great and dreadful day of the Lord.

And he will turn

The hearts of the fathers to the children,
And the hearts of the children to their fathers,

Lest I come and strike the earth with a curse.”
