DREAM
Let's Throw Dad In The Back
2018-11-21

Dear **Jesus**,

Wednesday, 21 November 2018, 7PM.

On Monday of this week at 5:40PM my alarm woke me up from a dream.

I DREAMED THAT:

I was riding with my Wife, Daughter, and Son in an older Ford Country Sedan Station Wagon. They had insisted that I ride in the very back cargo area, so that I was separated from my Family.

My Son was driving, and his Mom was sitting next to him in the front. My Daughter was in the back seat.

My Family was in conversation regarding some important Life issues.

I wanted to join in, but because I was way in the back, this was difficult. Nevertheless I kept trying to say something, and finally got my Son's attention. I said to him that it would be wise for him never to be brought under the power of anything, and I was referring him the the Scripture where it says:

*All things are lawful for me,
but all things are not helpful.
All things are lawful for me,
but I will not be brought under the power of any.*
1 Corinthians 6:12

How I was being treated saddened me, because I was being opposed by my own family, and treated like cargo, rather than being honored as my Wife's Husband and my Son and Daughter's Father.

END OF DREAM.

After I woke up I was exceedingly sore and tired, but by the Grace and Strength of Yahweh, I was able to make it to work.

Blessings...

R. C. Theophilus
