

Letter 727
DREAM
Removing The Spirit of Pride
2018-12-02

Dear **Jesus**,

Sunday, 02 December 2018, 5AM.

Saturday morning at about 6:30PM I woke from a dream.

I DREAMED THAT:

I was at a High-Class department store near the jewelry department. There were a few other customers nearby, and one Lady in particular who was at one of the jewelry cases. She had on very expensive perfume, and was in a sort of full length Evening Dress.

I could smell the fragrance of her presence, and her overall beauty was very appealing.

END OF DREAM.

After waking up from this dream, I could feel that I was very sore and tired from this conflict. Later the Lord Holy Spirit began to explain that the Lady in the dream was a Spirit of Pride assigned to a Shopping Mall in the general region in which I live.

But her assignment was terminated, on account of the Lord's Rule of Engagement which says that any evil spirit I come into contact with is then immediately removed to the Pit.

Blessings...
