Dear **Jesus**,

When I started this series of Letters, I wanted to identify what the Scripture teaches about the head. After I started, I realized that the head has three primary attributes, and one primary purpose.

It has the Seer senses. It has the Eyes. It has the Face. And, with all these things combined, it makes the Head the Watchtower, or Security System, of the whole Body.

We learned from You that Heads, once they have established safety parameters, need to place themselves at the feet of those they lead, in order to provide therapeutic cleansing for the feet of Your followers, and to set an example of service for others.

This is especially true in a Christian marriage. In the Book of Acts, there is a story of a married couple who hosted a church in their house. The Lord Holy Spirit mentions them together on five separate occasions. On two of those occasions the husband is mentioned first in the text, because both incidents represent a first contact situation for he and his wife. On two other occasions the wife is mentioned first because in the narrative, security had already been established by the husband. And on the fifth and final occasion, the Holy Spirit places the husband in the lead again, to ensure the path of return is still safe for his wife and family.

In a first-contact situation, the Head should always be the point-man. This is why we are to submit unto Christ in all things, because He is the Head — The Security System, of His Body. Submitting to Him this will keep us safe from HR. But then we must also receive His service to us when the time comes, or else we will have no part of You.

Likewise, in a Kingdom relationship, Wives need to submit to their own Husbands in all things, because he is the head of the marriage and family, and the Elder of that local Church Body. In the marriage which is obedient to Scripture, The Husband represents the Head, Jesus to the Body of Christ, his Wife. Church members are to submit to the Elders of the Church for the same reasons. They too represent the Head, Jesus. And we are all called to submit one to another, without becoming slaves of anyone.

It must be stated here that the Head does not work independently of the Heart, but we will explore the Heart in a future series of Letters.

Blessings...

R. C. Theophilus
