**DREAMS**  
**1. The Giant**  
**2. The Service Manager**  
2019-05-09

Dear **Yeshua**,

**Sunday, 5 May 2019, 6AM.**

Last night I had two dreams which woke me up.

**3:30AM.**

**I DREAMED THAT:**

I had been involved in a conflict, and then found myself in a room, sitting next to a Giant. I then found myself in conversation with the Giant. In his speech, he seemed both affable and kindly. I had flask of whisky with me. I offered him my flask, to which he smiled and turned his head in agreement that he would enjoy a snort.

**END OF DREAM.**

**5:30AM.**

**END OF DREAM:**

I was involved in a conflict of some kind. Then, I find myself at an Auto Dealership in the Service Department. There was an Auto Repair Service Manager who was handling my work order. He kept wanting to argue with me about what was the best course of action. And every time that I wanted to agree with him, he would move on to some other problem and argue about that. I really couldn't even get to a point of finalizing a schedule of repairs, and I was starting to get frustrated with the whole thing.

**END OF DREAM.**

After waking and upon inquiring of the Lord Holy Spirit, He informed me that in the dreams, both the Giant and the Auto Repair Service Manager were fallen angels assigned by HR to harass Christians in their day-to-day lives.

The Giant was assigned to the task of General Intimidation, much like Goliath. The Auto Repair Service Manager was assigned in a much more focused manner. His task was to disrupt, corrupt, and prevent True Customer Service, which is, by interpretive definition, the Ministry of Feeding the Lambs and the Sheep. Both evil spirits are now gone, having been removed from the face of the earth, and sent to the Pit. In both cases, some conflict was necessary in order to acquire the two targets of this mission, which was to search for and destroy these two evil spirits. Also, it may be important to note that this was the first dream I have had in which there was a Giant present.

Blessings...
