

Letter 798  
**DREAMS**  
**A Pivotal Moment In Time**  
2019-05-24

Dear **Yeshua**,

**Thursday, 23 May 2019, 12PM.**

Last night and into this morning, events took place which, according to the Lord Holy Spirit, contributed to a Pivotal Moment in Time, regarding the further prosecution of Yahweh's war against HR. Please permit me to explain.

During our Family TV time last night before bed, we started watching an old TV rerun of Star Trek (The Original Series). The episode title is The Enterprise Incident (season 3, episode 2).

This was an interruption of what we had been watching, which is Dr. Chuck Missler's study series on the Book of Daniel. For some reason, I wanted to take a break from Daniel and make a brief detour through Star Trek space, and then return to Daniel.

We got about half-way through the Star Trek show, when I finally got to the point where my eyes had grown heavy, and I knew I was ready for sleep. Sometime between 9:30 and 10:00PM, I fell asleep. But then at about 1:15 AM I suddenly woke up, being troubled in spirit.

I don't remember having dreamed, but I had feelings of both oppression and agitation, and as I lay in bed attempting to go back to sleep, the muscles in my upper back started to grow increasingly tight and sore, and my mind became more troubled, yet I didn't know why.

About an hour passed while I lay in bed trying to go back to sleep, at which point I decided that what I needed to settle back down was to eat a bowl of soup, and finish watching the Star Trek episode we had started before I went to bed.

So, with hot soup bowl in hand, and the TV back on, we watched the remaining minutes of the show. All the while I was inquiring of the Lord about why I was so sore and troubled, and what the solution might be.

After some minutes into the Star Trek episode, a certain part of the theatrical performance got my immediate attention. In this scene, the Romulan Commander of a Romulan Warbird starship had been attempting to persuade the First Officer of the Federation Starship Enterprise, Commander Spock, who is onboard the Warbird, to defect to the Romulan Empire, saying that Spock would be given command of the presumably captured Enterprise as his reward for doing so.

But then a plot to sabotage the Romulan Warbird by Mr. Spock was discovered, who, along with an accomplice, had stolen a cloaking device from the Romulan Warbird's engine room on which he was being held.

Here is an abbreviated transcript of the TV screenplay which the Lord wanted me to see and hear:

*(SCENE: Romulan Commander's private quarters)*

**Romulan Sub-commander:** "Commander, we have intercepted an alien transmission."

**Romulan Commander:** "Locate it's source."

**Romulan Sub-commander:** "We have Commander. This room."

**Romulan Commander:** "The cloaking device. Bring him" (referring to Mr. Spock).

*(SCENE: Romulan Warbird engine room)*

**Romulan Sub-commander:** "Commander, the cloaking device is gone."

**Romulan Commander:** "Full alert. Search all decks."

**Spock:** "That will be profitless Commander. I do not believe you will find it."

**Romulan Commander:** "You must be mad."

**Spock:** "I assure you, I am quite sane."

**Romulan Commander:** "Why would you do this to me? What are you, that you could do this?"

**Spock:** "First Officer - of the Enterprise."

**Spock:** "What is your present form of execution?"

*(SCENE: Romulan Commander's private quarters)*

**Romulan Commander:** "Return to your station Sub-commander. The boarding action on the Enterprise will begin with my command. If they resist, destroy her."

**Romulan Commander (to Spock):** "Execution of State Criminals is both painful and unpleasant. I believe the details are unnecessary."

**Romulan Commander (to Spock):** "The sentence will be carried out immediately after the charges have been recorded."

During these scenes, the Lord began to bring to my memory one of the advisory teachings spoken by Jesus, as I have previously heard it taught by others.

The teaching I was remembering has left me perplexed over the years. The various explanations I have heard have never showed a reasonable conclusion to it's true meaning and application.

Even the Bible Teacher Robert Henderson, who specializes on the Courts of Heaven, did not provide me with a satisfactory answer as to how this lesson is supposed to be applied to everyday Christian life.

Here is the Scripture in question:

***Agree** with your adversary quickly, while you are on the way with him, lest your adversary deliver you to the judge, the judge hand you over to the officer, and you be thrown into prison. Assuredly, I say to you, you will by no means get out of there till you have paid the last penny. Matthew 5:25-26.*

Whenever I have heard this text taught on, either by others, or in the councils of my own mind, it seemed that Jesus was advising His listeners to quickly agree with the Devil whenever Satan accused us of sinning. I could understand this application for those outside of the Kingdom of Heaven and the forgiveness of Christ, Who cleanses us "... from all unrighteousness" (1 John 7:9). But it never made sense that we should agree with accusations which are not true. Yet all of the teachings I have heard had stipulated to this assertion: "Agree with Satan, even if it's not true."

When we were watching the scene described above from Star Trek, I suddenly realized by the Lord that in the Courts of Heaven, the Enemy is not accusing us of our own sins, but rather he is accusing us of a far worse crime - that of obeying Jesus.

According to the Lord, obedience to Christ is an affront to Satan, who is the "god of this world". Obedience to the Laws of Yeshua is ILLEGAL BEHAVIOR within all of Hell's Resources and the Kingdom(s) of Sin.

Therefore, the accusations of the Enemy are ones which identify our allegiance to Yahweh through obedience to His Son Jesus, in doing all that He taught us to do.

When I was seeing the scene being played out on TV, along with the Lord "connecting the dots" of my understanding, I suddenly and with a certain, purposeful joy began to agree whole-heartedly with my accusers, who were (are) highly upset with my personal obedience to King Jesus.

After the soreness in my upper back began to decrease, thanks to healings sent from Jesus by angelic messenger, angel Gabriel began to inform me that at the same time as the soreness in my upper body was being manifest on the earth, a court case was being heard by Yahweh in the Courts of Heaven, concerning all the damage my obedience to Jesus has caused to both SOG and HR. They were attempting to prove in Court that it was not legal for me to use the MMIP procedures (see Letters 407, 407a, 407b Volume 5-15) , or "Fire up

the Grill" (see Letter 65 Volume 1), or make use of the Door to the Pit (see Letter 647 Volume 8). (Apparently my use of the Long Sword (see Letter 611 Volume 7) was not brought to trial by the Plaintiffs in this case).

But all of my actions which were brought into question are in direct obedience to King Jesus, by and with the direct leading and help of the Lord Holy Spirit Himself.

The court decision was found in favor of Christ, who is my Advocate in this case, and the Plaintiffs were instructed to immediately Cease and Desist any further accusation, nor bring any further complaints to Court on the matter. It was immediately after this decision was made, that the tension in my upper back began to subside.

All this took place sometime between 2:30 and 3:30 AM earth-space time. But by 3:30 I could still not get back to sleep, so I decided to take a hot shower and a pain pill. After that I returned to bed and fell asleep, and woke up for the day at about 7AM. But within that time I had three dreams, all of which woke me up.

Dream#1

**I DREAMED THAT:**

I was in my old Chevy S-10 Truck with my wife (M). We were at a Parking Lot trying to find a place to park. There was a Pay-to-Park lot, but Disabled Slots were at no charge. I had Disabled Plates, so I was authorized to park in a disability slot for free. There was a Lady Parking Attendant who wanted to talk a lot about the Parking Lot, and about the fees one had to pay to park there.

**END OF DREAM.**

Dream #2

**I DREAMED THAT:**

A homosexual male had gotten into bed with me, attempting to get me to become physical with him. I refused, got out of bed, and left.

**END OF DREAM.**

Dream #3

**I DREAMED THAT:**

Some people had come to the front door of my house and left a couple of packages on the porch. These were white packages, about the same size as a large manila envelope, and were stuffed full. The ones who left the packages were off at a distance watching me to see if I would collect the envelopes and bring them into my house. I did not, but just left them on the porch.

The next thing I know I am standing out on the back deck. Looking down I see, laying on the deck floor, two or three similar packages as the ones I had just seen on the front porch. I did not see any addressing or other markings on them, but they could have been laying face down.

Then, I look to my right, toward the end corner of the back of the house, where the gate is by which the ones who delivered the packages had first entered the backyard. I see two or three ladies who had apparently come in by the fence gate, left the packages, and were in the process of leaving when I came out and discovered the delivery. The one who was closest and the most visible to me was an Attractive Brunette. She looked at me and spoke these words:

“YOU WON’T BE ABLE TO MEDITATE, AND GUYS LIKE YOU NEED TO MEDITATE.  
YOU WON’T BE ABLE TO MEDITATE.”

**END OF DREAM.**

In the dream I knew I should have nothing to do with the packages, and like the ones on the front porch, I left the packages on the back porch where I found them.

“Post Dream Analysis” says that the people at both the front porch and the back deck were Fallen Angels who had come from the court case which they just lost, and wanted to bring a message to me of how angry they were at losing in court.

These (HR) People just keep digging their own graves, on account of all the ones who brought the messages to my house are now themselves in the Pit.

And the packages? They were all returned to sender, due to my refusal to accept delivery.

**Friday, 24 May 2019, 10AM.**

Yesterday I felt like crap from having been exposed so directly to enemy forces (the enemy always makes me feel like crap). But I improved in small increments throughout the day, and was able to get out of the house and ride my bicycle after dinner. This morning I woke at 3:30AM from a **dream** which left me feeling better, and somewhat comforted. In this **dream** I was in a rail-yard which was a staging area for Old Train Cars which had been renovated and were scheduled to be put back into service. I was given the Liberty to enter the Cars and look around, and try out the restored seats and stuff. It was a Fun Exploration. Thank You Jesus.

One more thing I learned from this whole episode. That is - to not pay any heed at all to what is spoken to me by any evil spirit. Hear what they say, but disregard it in its entirety. Even the slightest entertainment in one’s mind of any idea which arises from what they communicate will cause one to ingest their deadly poison.

Blessings...

R. C. Theophilus
