**DREAM**  
**Removing The gods of The Freemasons**  
**Part 1 - Preliminary Research**  
2019-06-21

Dear **Yeshua**,

**Wednesday, 19 June 2019, 5AM.**

This last Thursday, 13 June, as I was laying in bed getting ready to sleep, the Lord Holy Spirit began to inform me of Your desire to remove all of the gods of the Freemasons (and other related groups such as Shriners, Eastern Star, etc.) from the face of the Earth, using the M544/Micro-Macro Intercessory Protocol (MMIP) procedures as the starting point.

So before I went to sleep that night, I did a quick internet search for things related to Freemasonry. Then I emailed the result to myself for further review. But before I woke up the next morning for the day at 4:15AM, I had a dream.

**I DREAMED THAT:**

I was in a house, laying on a bed inside a bedroom. There were some other people in the room, who I knew wanted me to join them and work with them on some project. There was also another person in the bed with me wanting to be sexually intimate with me.

**END OF DREAM.**

I woke up sore from wrestling, which informed me that those I was with were HR. And that one of the people was in bed with me informs me that they wanted to be intimate with me in the bedroom in this house. This refers back to the three houses of wickedness as revealed in Scripture in these verses: Exodus 22:18(House of Witchcraft), 19(House of Sexual Sin and Perversion), and 20(House of Idolatry). According to the Lord, and this intel, in the dream I was in the (Freemasonry) House of Sexual Sin and Perversion, being entreated by the people of that house to join them in their activities (RoE-03).

The next morning, on Friday, I went to Town to do some shopping. At the Grocery Store was some unusual activity. Outside was a (KING 5) TV News Van from one of the local TV stations. Inside there were video recording lights set up at many of the checkout counters, and a video backdrop was set up where live transmitting and recording could take place.

And in the attached Starbucks coffee shop, there was a lot more people than usual for that early in the morning, which was about 5:30AM.

Turns out one of the Seattle Seahawks Football Players was going to be at the store doing live news interviews, along with a joint promotion of the Grocery Store chain and the Seahawks Football Team.

This was a distraction for me so that I would not begin the in-depth research into Freemasonry until the appropriate time, which is now present, and will be forthcoming in the next Letter.

Blessings...

R. C. Theophilus
