VISION
Removing The gods of The Freemasons
Part 3 - Execute, Execute, Execute
2019-06-21

Dear **Yeshua**,

Friday, 21 June 2019, 7AM.

Yesterday the Lord Holy Spirit and I, along with my angel crew, executed the M544/MMIP (Special) against all the gods* of the Freemasons. Please see attached M544 Document.

*Except Satan (Lucifer). The Devil was already dealt with in the Fall of 2013. See Letter 214.

P. S. In the days leading up to the M544 operation I saw a repeated vision

IN THIS VISION:

I saw the Hand of Yahweh reach down from Heaven to the Globe of the Earth and begin to pick up what looked like part of a wire mesh, sort of like square chicken wire. The wire mesh was buried in the dust of the earth, and as Yahweh picked up the mesh I saw that it covered the whole globe. He kept lifting the wire mesh until it was completely removed from the Planet. As He was lifting the mesh off from the globe, I could see that dust falling from the wires back onto the ground. At the same time as this, I also saw a scene from a movie called The Hurt Locker. In one of the movie scenes, a soldier discovers an IED, which has many wires attached to it, buried in the dust.

END OF VISION.

And so the Lord God Almighty removes from the Face of the Earth the Power of the Improvised Explosive Device known as Freemasonry, which are their gods.

Amen.

Blessings...

R. C. Theophilus
