TERMINAL DREAM
The HR Council Against Mars Hill Church
2020-05-22

Dear **Yeshua**,

Saturday, 13 July 2019, 5:13AM.

About fifteen or twenty minutes ago I woke from a dream.

I DREAMED THAT:

I and Another Guy were in the process of making an appointment to receive Pastoral Counseling from a Pastor who looked like Mark Driscoll (former Chief Pastor of the now closed Mars Hill Church). Pastor Driscoll was going to be out of town, so he delegated the counseling sessions to some subordinates.

The once-weekly counseling sessions were to take place within a three to four-week period. The first two sessions were led by someone who looked like a Man. But the third session was led by someone who looked like a Lady.

The counseling offices were situated close to the Denny's Restaurant in what is called the Overlake area of Bellevue, Washington, in the same parking lot as Fred Meyer, and close to where SR-520 and 148th Avenue intersect. Sometimes we would meet at the Denny's for the sessions.

END OF DREAM.

Post dream analysis says that:

I woke up feeling like I had wrestled, being groggy minded. Then I realized that all the people in the dream (except the Other Guy* I was with) were evil spirits from HR.

We were in fact cleaning out the relative memories of Mars Hill Church, so that these three evil spirits, and others like them assigned to Mars Hill, could no longer inflict pain on the former members of the church whenever they would remember having been part of the church body. The man who looked like Pastor Mark Driscoll was their leader. The whole lot of them have been removed from the face of the earth.

*According to the Lord Holy Spirit, the Other Guy was angel Gabe, who was there in case I needed any help.

Blessings...

R. C. Theophilus
