

Letter 822  
**The Jesus Anointing**  
*The Future is Here and Now*  
2019-10-24

Dear **Yeshua**,

**Thursday, 24 October 2019, 7AM.**

Sometime yesterday the Lord Holy Spirit reminded me of something which happened long ago.

During my tenure of employment at (G8), where I worked as their Plant Maintenance Supervisor, I was sent to a Heating, Ventilation, and Air Conditioning (HVAC) class on becoming certified to safely handle refrigeration gasses. The seminar was sponsored by and given at a local HVAC Company. If memory serves the classes were within an eight hour day for three days.

One day, on our lunch break, I walked over to a local Bible Book Store which was less than a block away. After I was finished perusing the shelves, I turned to leave and go back to class.

As I was pushing my way out the glass door, I could see that there was a Lady outside wanting to enter. As I exited we passed close by each other as she was entering. Suddenly a very strong compulsion came upon me to speak these words to the Lady:

“I AM A REPRESENTATIVE OF JESUS CHRIST. HOW CAN I BE OF HELP TO YOU?”

Hearing these strong words in my inner ear was surprising, and I wanted to speak them out loud, but it happened so suddenly that I didn't have time to analyze what was going on, so I remained silent.

Which was just fine, as this event was a practice run to save in memory for future use. That future is now come.

Henceforth, the Lord Holy Spirit is making available to me His Power to represent Jesus the Messiah on earth, and to offer to any who so desire, His help in their lives, by any means the Lord so chooses.

P. S. As I write this Letter, it occurs to me that I need to change one word in the statement which the Lord gave to me. The corrected version of His Word goes like this:

“I AM A REPRESENTATIVE OF JESUS CHRIST. HOW CAN HE BE OF HELP TO YOU?”

Amen.

Blessings...
