

Letter 826  
**DREAM**  
**The Comfort of Pastor (CB65)**  
2019-11-08

Dear **Yeshua**,

**Tuesday, 18 June 2019, 2:50PM.**

About ten minutes ago I woke from a nap. Just before waking I had a dream.

**I DREAMED THAT:**

I was in the House which belonged to my Father and Mother, where I grew up. Another man was there with me who looked very much like Pastor (CB65) of the Church (U27) where I am presently attending. I was there to help the Pastor, and in the process to become his friend.

Pastor (CB65) needed to go some place, and I agreed to take him. We talked a little in the car as I was driving him to his destination, which seemed like it was somewhere in the (L12) area.

**END OF DREAM.**

Post dream analysis says that:

I had slept deeply, and woke up comforted from this dream. This comfort helped me to recover from the previous two days of battle.

Sunday I had done some research into the Freemasons, in preparation for the upcoming war to overthrow their gods. Some of the documents of the Masons I read online was sickening to me, and I felt both sick and insane while I was reading them. And I was angered because of their Satanic origins. Then on Monday I had gone into Seattle to get an ORCA disability bus pass, which was its own battle.

So the comfort of this dream was a Healing Medicine to me. According to the Lord Holy Spirit, the man in the dream who looked like Pastor (CB65) was one of his angels.
