

Letter 829
DREAM
The Prison Restroom
AUDIO REPORT
Family Deliverance and Healing
2019-11-12

Dear **Yeshua**,

Saturday, 22 June 2019, 7:45AM.

I woke up early, at about 1:30 from a dream.

I DEAMED THAT:

I was in a series of large open bay prison halls, that had large open bay restrooms. Each restroom was a room unto itself, but was an open bay style of restroom, with no dividers or privacy compartments.

I went into one restroom, and then another, trying to find a suitable place for me to relieve myself.

But I was in sort of a hurry, because there was a bus stop on the sidewalk outside the prison walls , and I wanted to find the right bus route and get on the bus.

Then, I find myself in one of the open bay prison halls, next to a bunk bed. There was another inmate laying on the top bunk. He started to say words that sounded like he was obsessing over something having to do with the restroom use.

I almost wanted to agree with him, but I stopped short, and refrained from entering into an agreement with his obsession.

END OF DREAM.

I woke up at 1:30 and couldn't get back to sleep. So I went to the kitchen to get a hot dog, then watched some TV. By a little after 2AM I took a pain pill, and tried to get back to sleep.

I think I touched REM sleep a couple of 2 or 3 times briefly. That helped energize me, but I remained in bed sort of slumbering until about 3:30AM, at which time I got out of bed for the day.

This dream had significance because the day before, on the 21st, I had spent time with my youngest brother (CB18), his daughter (CS13), and three of her children. (CB66) 14, (CS21) 11, and (CB67) 9.

While we were together I observed some dysfunction within my brother's family. This was at the first, but within just a few minutes of our being together, the effect of the disfunction diminished to where we all started to enjoy each other's company.

This was because our family gathering was at PraiseTree Lake, and the outpouring of the Holy Spirit upon all flesh at that place was having His desired effect. To overthrow and displace the family dysfunction. Then we started to have a good time, and animosity was subdued. Turning our family sorrows into joy was the work of the Lord Holy Spirit.

But after we parted company and went our separate ways, I became despondent over the spiritual condition of my brother's family.

It is the work product of Active Sin which produces Sinful Attitudes, which in turn interferes with the free flow of Yahweh's Love between family members. No one wants to have these attitudes. They come from wounds and injuries in the spirit-man, producing patterns of behavior and ways of treating each other that are hurtful. Add to this the influence of HR and demons, and it becomes a serious spiritual infection.

Apart from the healing power of Jesus and His Blood, they will persist in a family, and continue to get worse over time.

In my audio report I assert that as a result of our time together, there was a victory, a deliverance, an exorcism, (multiple things) and a certain confidence that some time in the future I will hear good reports from this event.

(NOTE: this Letter is being posted in the eleventh month of 2019. These events occurred in the sixth month of 2019.)
