

Letter 837  
**TERMINAL DREAM**  
**The Pain Worshiper**  
2019-12-15

Dear **Yeshua**,

**Friday, 28 June 2019, 10:20AM.**

This morning I woke up at about 5:30 from a dream.

**I DREAMED THAT:**

I was in a house with a man. The man's entire purpose was to cause pain and distress on everyone, first himself then everyone around him. He was vile and vicious and all he wanted to do was harm himself and others.

His first order of business was to bend peoples fingers backward until they broke. I want to say he was trying to do that to me, and he was trying to get me to do it to him because, to put it in Roman terms, he was a Pain Worshipper.

He worships pain which you know is backwards, but anyway that was the dream. Then I awoke.

**END OF DREAM.**

At first after I woke up, I didn't feel that bad, but then I began remembering the dream, and I started feeling pretty bad and sore.

But then I listened to an album by Michael Bloodgood called Michael Bloodgood and friends, and there's two songs about the cross in there and that actually helped to strengthen me and made me feel better, and recover. So I was really grateful for that.

But as I was waking up, cooking breakfast I was thinking about this and at first I thought there's one of two vectors this dream came from and one of the two vectors at this point I now forget.

But one vector I did discover came from a contact I had with an author who is republishing a bible called The Matthew Bible.

The Matthew Bible is the Bible upon which both the Geneva and the King James Bibles are derived from. The Matthew Bible is from Matthew Tyndale.

Apparently Matthew Tyndale was considered an enemy by the Puritans, because of his desire to make the Bible accessible to anyone who wanted to read it.

The Puritans wanted only the Puritans and their select group to read the Bible. This was in the time of Queen Elizabeth, King Charles, and King Edward, monarchs who reigned in England.

So it turns out that the entity I was terminating in this dream this morning, or last night before I woke up, had been assigned to the Lady who is presently working on this project to restore the Matthew Bible.
