

Letter 840  
**A Preliminary Injunction Is Sought**  
2019-12-21

Dear **Yeshua**,

**Saturday, 21 December 2019, 7:30AM.**

The Lord Holy Spirit recently suggested that we move our conflict with certain of Hell's Resources from the Battlefield to the Courthouse.

Therefore, we do humbly make petition to Jesus, Son of The Living God, for a Preliminary Injunction to be requested in the Courts of Our Father Who is in Heaven, against all \*Principalities, Powers, Rulers of the Darkness of This Age, and Spiritual Hosts of Wickedness in High Places, as listed in the Book of Ephesians, Chapter 6, Verse 12.

This will provide the necessary time required to assemble and present Documented Evidence, and to make request to have such evidence entered into the Court Record, and to request a Hearing before our Father, in order to lodge Lawful Complaints against said \*Principalities, Powers, Rulers of the Darkness of This Age, and Spiritual Hosts of Wickedness in High Places.

\*(SPECIAL NOTE 2019-12-25: "Principalities" was added by Jesus on 24 December 2019. I had omitted them in the first writing of this Letter)

Amen.

Blessings...

R. C. Theophilus
