## ***Psalm 8 - Compliments of George Floyd - Psalm 46***

Two **real good** things have occurred in the U.S. since the start of the **COVID-19** lockdowns.

1. Since all the School Buildings have been **closed**, (and it looks like most will continue to be closed into the 2020 school year), there have been **no school shootings**.

2. Since all the Public Libraries have been **closed**, there have been no Story Book Readings to little children by evil demon-possessed men who dress themselves up as female clowns (also called "Drag Queens").

Before the **COVID-19** closures, I would hear almost weekly on the TV news about a "Drag Queen" reading stories at a library, or other public venue, to small children.

Since the **COVID-19** closures, I have not heard a single word about such abominations. **Not a single word**. (And if the drag queen reading sessions were to resume, the Drag Queens would be required to wear an opaque face-covering, thereby obscuring the demonic full-face mask which they put on through make-up. This would reduce or eliminate any demonic transfer).

It is my own opinion that God will continue to use **COVID-19** to execute His will, until He accomplishes all His desire.

**Saving children** from Demonic Clowns is at the top of His list.

*The Lord Holy Spirit*
