

HEISER-BANCARZ INTERVIEW AUDIO

APPROX. TIME-STAMP	SUBJECT	QUOTE	REMARKS
1m_24s-38s	Books published	HEISER - “No books written about Angels”.	Not true. Many books have been written about angels. Three authors are Dr. Chuck Missler - Angels 1 and 2, and Charles and Francis Hunters - Angels On Assignment www.angelsonassignment.org and Sharon Buck - The Man Who Talked With Angels.
5m_10s	Angelic bodies	HEISER - “... a dis-embodied spirit being”. “If you’re a member of the Divine Abode, you really don’t need embodiment. You’re better than that”.	Please see my Letter 35a Vol. 1. Also see the greek term “oiketerion” which means “heavenly body”, used two places in the Bible: 2 Corinthians 5:2, and Jude 1:6. https://en.wikipedia.org/wiki/Oiketerion
10m_0s-35s	Contact with Angels	HEISER - “... there are certainly episodes where humans have conversations with angels, but all of those are initiated by the heavenly messenger; by the angel, or by God; the One Who sends the angel. I don’t know of any example where an angelic visitation is solicited, called upon, or even where humans command...”	I agree with Dr. Heiser's statement. Please see my Letters 25, 26 Volume 01. But there is also one exception to what Heiser states about humans commanding: that would be the Witch of Endor. She commanded the spirit of Samual to arise. She was also in sin by doing so. But she did command. See 1 Samuel 28:3-25. But in my own life, whenever the Lord Holy Spirit gives me a Word that applies to me and my team of angels, we all obey that Word. Even though I am the one entrusted with that Word, since we are a team, and we all know our jobs and standing before Christ, it would seem that they are doing what I say. They are not. They are obeying God. Please see Letter 140 Volume 3. But I must also add that I do ask for their help from time to time. The only reason I can do this is because we have been given permission by the Lord Holy Spirit to operate this way. It’s faster than me having to stop and pray for help all the time (which I do daily anyway). Kind of like a blanket work order, or a blank check already signed by Yeshua.

32m_30s-52s		HESIER - "... I also have to wonder why God didn't do that with Moses...Moses got Aaron. This guy gets an angel. Talk about an upgrade." (referring to a comment made by Mr. Bancarz about someone (like me) who has angels accompany them.	Jesus - "Assuredly, I say to you, among those born of women there has not risen one greater than John the Baptist; but he who is least in the kingdom of heaven is greater than he." Matthew 11:11 (and this includes Moses)
33m_12s-24s		BANCARZ - "... he speaks in tongues when the angel comes..." HEISER - "isn't tongues a gift of the Spirit?" BANCARZ - "yeah" HESIER - "why would we need the angel?"	This is Scriptural - "Though I speak with the tongues of men and of angels , ..." 1 Corinthians 13:1a. Therefore I disagree with their underlying premise in this exchange.
33m_43-47s		BANCARZ - "but I ran into demonic oppression there as well"	And I think - just maybe- that I know why... see this diagram http://www.letterstodan.com/resources/OtherThings/HR_DIVISION.pdf
35m_55s-60s			I don't think they know this, but at this point Dr. Heiser and Mr. Bancarz are entering in to a spirit of ridicule against those whom they are talking about. It's one thing to disagree. It's another thing to ridicule, which too easily becomes scorn. Hence, they are in danger of fratricide with their speech against their fellow Christian soldiers. Scripture says we should not talk like this about anyone. See James 1:19, and 3:1-12.
			I wish I could get Dr, Heiser and Steven Bancarz to both read Healy's books, and then all three to interview each other, along with a Moderator to help prevent them from entering into the above sin.
38m-		AT THIS POINT I STOPPED TRANSCRIBING.
