

This is a letter of support for [REDACTED] My name is [REDACTED] and I am an elder at [REDACTED] House Church in which [REDACTED] is the Pastor. I have personally met with [REDACTED] three or four times and shared a lot of phone time together. We would share on what God was doing in our lives , pray together and spend a lot of time going over [REDACTED] written testimony. I believe [REDACTED] to be a credible servant of the Lord.
